The Art of Revenge According to Carlee DeLuca Nina R. Ricci, 2018-08

The Art of Revenge According to Carlee DeLuca is the fourth book of the Stolen Innocence Series told from the perspective of Storia's sister Carlee. Carlee has been by Storia's side since day one. However, due to their family structure, Carlee and Storia were always going in different directions. This book follows Carlee's story and the disaster that Karma reigned when she least expected it. The title of this book, The Art of Revenge According to Carlee DeLuca, is a result based on a plan Carlee needs to enact. A good friend asked Carlee how much she would sacrifice for the idea she is eager to put in place. Carlee has not provided an answer but assures her friend she will have the answer soon. Overall, I would have to consider this book a tale of many genres leaning heavily on the definition of action, suspense, and thriller. It is raw and emotional. It is violent, unforgiving, and to some, it is intense. There is strong sexual content, sexual manipulation, and profanity-laced scenes that result in death. I hope you enjoy reading it. After you have sat with it, please leave a review. Many eyes have read this book, but I still come across errors I do and will correct immediately. Ultimately, I strive to create a work easy to read and understand with little to no mistakes. Thank you for your time and especially your purchase. I appreciate your support. If you enjoy my writing, look for my new book *Meltdown* coming January 2019. Thanks again, Nin.

The French Art of Revenge Mark Beauregard, 2019

When legendary fashion designer Yves Saint Laurent dies, his longtime lover and business partner Pierre Berg announces that he will auction off their vast private art collection for charity. To celebrate this once-in-a-lifetime event, the Grand Palais in Paris hosts a public exhibition of the rare masterpieces, but the celebration ends abruptly when one of the paintings is stolen. An anonymous tip leads police to American war photographer Luke Johnson, whose murky connections to Saint Laurent's past make him all the more suspect. And when Luke's friend Benoît is kidnapped and the kidnappers demand the stolen painting as ransom, it seems the only person in Paris who doesn't think Luke is an art thief is Luke himself. Now Luke must rescue Benoît while dodging the police and matching wits with the inscrutable mastermind who stole the painting in the first place. And everyone Luke meets wants some kind of revenge, including his ex-girlfriend. In Paris, the only thing as romantic as falling in love is getting even.

The Art of Revenge Luis Smietanka, 2017-08-31

When past pain remains with a soul and taints its very existence in such a way time just cannot wash off, when hurt from loved ones becomes the essence upon which a life is built and is lived, then the seed of such pain never truly leaves. When life has been nothing but one big

ball of turmoil for a soul then it becomes lost in seek of vengeance against the elements that brought it such unfair circumstances A man born and raised in Germany by the name Jack would come to see life like no ordinary child his age ever could At a tender age the injury defying action from kids his age as a result of a prank gone bad would become the emblem upon which his scary nightmare will begin His face scarred badly and rendered unfit to ever be looked upon again he would wear a mask to cover his physical scars while the unseen ones continue to grow His horrifying look would result in him being expelled from home by his own father in exchange for a paltry sum of coins while he would toil the hard fields and manage the stinking farm of a horse owner where he would make himself a new home Jack would see life as nothing but dark and hope with each passing day for something better than the pain he felt At the tender age of ten his miracle will come but with it would have been years of unjust hate disdain and constant belittling from those around him He had become a scourge in the eyes of those who knew him He was seen as nothing but a good for nothing plague who could never amount into anything He was never regarded to be anything in form of a human while he managed to survive through life by struggling through times others will definitely have given up A lovely family will take Jack in in what will become a change in fortune for his damaged past and life but nothing would be enough to appease the boy who felt like he was nothing but a living dead Becoming a scholar and assisted to pursue his dreams as a lawyer wouldn't be enough to cure the hate in his heart He just couldn't find appease in anything until he healed the hearty wounds he felt Jack would become a man to reckon with through circumstances he persevered through and the life defying challenges he would take upon Through his teen years and early twenties he would embark upon life changing tasks that will make him the one of the wealthiest men in Manchester where he chose to move to after he took the crazy decision to leave school for certain reasons Now a fulfilled man with the world at his feet his insatiable hunger for revenge would spur on a series of revenge seeking events against seven people in his past that brought him nothing but pain Will Jack succeed in what is an elaborately planned scheme to bring his enemies down and under through years of meticulous planning Will Jack find peace in the vengeance he seeks or will his revenge seeking desire become his own undoing Jack is a man on a mission and he would use the perfect weapon as a lawyer the law The Ultimate Revenge Victoria Parker,2014-08 I will annihilate your world As you destroyed mine For over a decade Nicandro Santos heir to a legendary diamond legacy has lived with one unrelenting purpose to infiltrate the ultra prestigious Q Virtus gentlemen's club and bring it and its leader Zeus down What he doesn't know is that Olympia Merisi the daughter of his enemy is now in charge Olympia has her own reasons for wanting to keep Nicandro close and will stop at nothing to protect what's hers But what happens when the battle lines between them blur and they enter more dangerous sensual territory Discover more at www.millsandboon.co.uk/victoriaparker *Fine Art of Vengeance* Ian Semple Semple (author),1901
