The Monk from Brooklyn Antonio Graceffo,2004-07 The Shaolin Temple the birthplace of Kung Fu and modern Chinese Buddhism is the oldest and most mysterious Kung Fu school in the world It is an exotic and mythical destination of daydreams to millions of people In the history of the temple very few foreigners have ever had a chance to study there Foreigners have been allowed to study in many of the Shaolin schools near the temple which have taken the Shaolin name as a marketing ploy but less than fifty foreigners have studied at the original Shaolin Temple Antonio Graceffo was lucky enough to be one of the few and this is the chronicle of his experience Antonio has twenty five years of experience with martial arts so it is with a knowing eye that he observed the training at the temple But it is his background that gives him a very unique perspective An Italian American from Brooklyn New York and a former investment banker Antonio was educated in some of the best universities that Europe and Asia had to offer His articles are informative humorous and irreverent He doesn t pull any punches writing about the filthy conditions and the diminished mental capacities of people who spent a lifetime learning to kick but never bothered to learn to read and write The title says it all Put a Chinese speaking Italian American from Brooklyn in the holiest of Buddhist temples and watch the racial harmony flow *Blue-Eyed Barbarian* Gary W.

Takahashi,2022-06-11 This is a fictionalized semi biography of Bodhidharma a legendary Zen monk who established Zen Buddhism and kick started Shaolin Temple martial arts **A Profound Mind** Dalai Lama,2012-09-25 For the first time for general readers the Dalai Lama presents a comprehensive overview of the most important teaching of Buddhism Perhaps the main difference between Buddhism and other religions is its understanding of our core identity The existence of the soul or self which is central in different ways to Hinduism Judaism Christianity and Islam is actually denied in Buddhism Even further belief in a self is seen as the main source of our difficulties in life Yet a true understanding of this teaching does not lead one to a despairing cynical worldview with a sense that life has no meaning Far from it a genuine understanding leads to authentic happiness for an individual and the greatest source of compassion for others In 2003 and in 2007 the Dalai Lama was invited to New York to give a series of talks on the essential Buddhist view of selflessness This new book the result of those talks is now offered to help broaden awareness of this essential doctrine and its usefulness in living a more meaningful and happy life While the Dalai Lama offers a full presentation of his teachings on these key philosophical points for contemplation he also shows readers how to bring these teachings actively into their own lives with recommendations for a

personal practice It is only by actually living these teachings that we allow them to bring about a genuine transformation in our perception of ourselves and our lives A Profound Mind offers important wisdom for those committed to bringing about change in the world through developing their own spiritual capabilities whether they are Buddhists or not **The Tao of Tranquility** Derek Lin,2021-11-02 The Tao of Tranquility is the definitive translation and explanation of the Qingjing Jing the Taoist classic from the Tang Dynasty more than a thousand years ago It has a special place in the history of Eastern thought because it is the only sutra to weave Tao insights and Buddhist teachings together This forms a wondrous tapestry of enlightenment and creates a synergistic fusion that is far greater than the sum of its parts Now for the first time Western readers can explore this ancient treasure and reap the benefits of its wisdom What is the meaning of existence How do we deal with delusions and suffering in the world How can we attain real peace of mind that lasts All these questions and more are examined in the Qingjing Jing Let The Tao of Tranquility reveal its answers to the greatest questions of life and take you on the path to your spiritual awakening 道经,2016 *The Path to Tranquility* Dalai Lama,1999-11-01 The Dalai Lama serves as a living symbol of holiness and selfless triumph over tribulation for people of all religious traditions as well as those with no religious affiliation at all This collection of daily quotations drawn from His Holiness's own writings teachings and interviews offers words of guidance compassion and peace that are as down to earth as they are rich in spirit Suffused with endearing informality warmth and practicality they cover almost every aspect of human life secular and religious from loneliness suffering anger and everyday insecurities to happiness intimacy and responsibility to others With a special foreword by His Holiness on the power of meditation and personal responsibility The Path to Tranquility is a fresh and accessible spiritual treasure to return to day after day year after year Searching for the Self Dalai Lama,Thubten Chodron,2022-05-17 His Holiness the Dalai Lama explores emptiness one of the most central teachings in Buddhism in the newest volume of the bestselling series The Library of Wisdom and Compassion In Searching for the Self the Dalai Lama leads us to delve deeply into the topic of the ultimate nature of reality presenting it from a variety of approaches while focusing on identifying our erroneous views and directing us to the actual mode of existence of all persons and phenomena Placing our study of reality within the auspicious context of a compassionate motivation to benefit all sentient beings the Dalai Lama explains why realizing emptiness is important and what qualities are needed to do that and he evaluates various tenet systems perspectives on this vast topic He then helps us understand our perceptions and the mental states involved in both our ignorant and accurate cognitions He examines inherent existence and other fantasized ways of existence that we seek to disprove through reasoned analysis and presents the Middle Way view that abandons all extremes The closing chapters by Thubten Chodron discuss the three characteristics of impermanence unsatisfactoriness and not self as explained in the Pali tradition and show how meditation on these can lead to the meditative breakthrough to realize nirvana Engaging in this investigation with His Holiness will challenge our deepest held beliefs and uproot false ways of viewing ourselves and
