The Soul of the War (WWI Centenary Series) Philip Gibbs, 2014-05-21 What man may lay bare the soul of England as it was stirred during those days of July when suddenly without any previous warning loud enough to reach the ears of the mass of people there came the menace of a great bloody war threatening all that had seemed so safe and so certain in our daily life England suffered in those summer days a shock which thrilled to its heart and brain with an enormous emotion such as a man who has been careless of truth and virtue experiences at a Revivalist meeting or at a Catholic mission when some passionate preacher breaks the hard crust of his carelessness and convinces him that death and the judgment are very near and that all the rottenness of his being will be tested in the furnace of a spiritual agony He goes back to his home feeling a changed man in a changed world This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

May the eyes of Canada never be blind to that glorious light which shines upon our young national life from the deeds of those who counted not their lives dear unto themselves and may the lips of Canada never be dumb to tell to future generations the tales of heroism which will kindle the imagination and fire the patriotism of children that are yet unborn. I Filmed the War (WWI Centenary Series) Geoffrey H. Malins, 2020-07-14. In the following chapters I have merely aimed at setting down in simple language a record of my impressions so far as I can recall them of what I have seen of many and varied phases of the Great Drama which has now been played to a finish on the other side of the English Channel. Most of those recollections were penned at odd moments soon after the events chronicled when they were still fresh in mind, often within range of the guns. It was my good fortune for two years to be one of the Official War Office Kinematographers. I was privileged to move about on the Western Front with considerable freedom. My actions were largely untrammelled. I had my instructions to carry out my superiors' orders, to satisfy my work to do, and I endeavoured to do all that has been required of me to the best of my ability, never thinking of the cost or consequences to myself of an adventure so long as I secured a pictorial record of the deeds of our heroic Army in France. With Our Soldiers in France (WWI Centenary Series) Sherwood Eddy, 2016-03-10 These brief sketches are only fragmentary and have of necessity been hastily written The writer has been asked to state his impression of the work among the men in France He did not go there to write but to work He has tried simply to state what he saw and to leave the reader to draw his own conclusions A mere statement of the grim facts at the front if they are not sugar coated or glossed over may not be pleasant reading but it is unfair to those at home that they should not know the hard truth of the reality of things as they are This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context
