The Table Of Less Valued Knights:

The Table of Less Valued Knights Marie Phillips, 2015-08-04 From Marie Phillips author of the 1 national and international bestseller *Gods Behaving Badly* comes a charming funny story about a down on his luck knight of Camelot his eccentric band of misfits and their madcap quest to restore order to their lives and the realm Sir Humphrey du Val has had enough Relegated to the Table of Less Valued Knights Camelot's least prestigious spot boringly rectangular in shape and with one leg shorter than the other so that it has to be propped up with a folded napkin to stop it from rocking he has been banned by King Arthur from going on quests and hasn't left the castle in 15 years After a chance meeting with Elaine a young maiden in search of her kidnapped fiancé Sir Humphrey along with his squire Conrad an undersized giant and Jemima Conrad's elephant sets off on a journey to find the distressed damsel's betrothed hoping to restore himself to a place of honour at the Round Table Meanwhile Martha an errant queen on the run from her new power hungry husband is in disguise and on a quest of her own to find her long lost brother the true ruler of her realm Martha soon runs literally into Humphrey's eccentric group who take the incognito queen captive believing her to be a boy As they journey through countryside castles and villages they gather unlikely friends and enemies along the way While each member of the party secretly harbours their own ambitions for the quest their collective success and the fate of the realm rests on their grudging cooperation and unexpectedly interconnected lives The Princess Bride meets Monty Python and the Holy Grail in this funny charming and delightful tale about lesser known heroes in Arthurian England

Sir Thomas the Hesitant and the Table of Less Valued Knights Liam Perrin, 2013-03-08 Whimsical and poignant *Sir Thomas the Hesitant and the Table of Less Valued Knights* tells the story of Thomas Farmer who dreams of becoming a knight sets out to save his brother from the hands of an evil Baron and uncovers a plot that threatens Camelot itself Along the way he befriends a series of misfits including an allegedly reformed evil wizard a shrinking giantess with a latent gift a veteran knight with a dark secret and his best friend Philip the Exceptionally Unlucky In the end his friends must all join forces and Thomas must come to grips with what it means to be a true hero if they are to outwit the evil Baron At its heart Sir Thomas's tale is the story of a young man growing up and learning what it means to be a hero in a world that doesn't always make sense

The Arthurian Name Dictionary Christopher W. Bruce, 1999 A comprehensive encyclopedia of characters places objects and themes found in the legends of King Arthur and the Knights of the Round table Draws from all significant source between Gildas De Excidio Britanniae written about 540 AD and Tennyson's 19th century *Idylls of the King* including versions from throughout Europe The entries range from a short identifying sentence to nearly ten pages for the king himself Each is referenced to a source which are presented in a endtable showing author and title date form and language description keywords from the entries and recent editions a vital bit of information such references usually neglect The cross referencing is fairly good often done as a full entry identifying a name as a variant of another so the lack of an index is not a problem Distributed in the US by Taylor and
