unholiest of biblical characters In the face of these experiences or what he believes are true experiences Jack discovers the Traveler he is This catalyzes profound changes in him changes that cannot be reversed or even stopped The Flaming Sword David R. Brown,2018-12-13 Since the beginning of the Neolithic revolution a pervasive phantom has haunted humanity It neither rustles nor rattles nor moans upon the moors Rather its apparition is accompanied by the continuous unbroken rasp of the human race who unified in dread have emitted one solemn plea to a world rent asunder by evil and the abandonment of reason That sound is the question why All people have asked this when evil overtakes them Formal attempts have been carefully deliberated for twelve thousand years to resolve this gripping human dilemma why is there wrong and suffering And more tormentingly why if there is a God does evil exist How can it exist Many have the answer only to be turned away Now it can be answered Everyone has heard the story of Adam and Eve their fall from God and the angel posted at Paradise to turn them away The story of fallen broken man is well known and his journey through a world wracked with madness and pain is well documented But what if the real story was skipped over by the narrative What if the angel at the gates of Paradise was only a figurehead of something much larger The Flaming Sword is a guard to a gate but the guard is more than a mere angel and what it guards is more than the perfect place It guards perfection itself Like the angel at Eden it is programmed to attack whatever nears it charge including mankind Be warned and take heed for the answer may be far more haunting than the question ever dreamed *Yahweh's Breath Bible, Volume 2* Jerry Ayers,2010-05 Yahweh s Breath is a unique Bible In original Hebrew language it would be Yahweh s Nshamah meaning Yahweh s puff or breath of divine inspiration It was written in the Literal form of the original languages of Hebrew and Greek and then matched with the New Strong s Exhaustive Concordance of the Bible a thorough verbal index to the Holy Scriptures It s one of a kind format puts the Sacred Name of our Father Creator back into the text where it had been removed nearly 6 000 times by the scribes and translators throughout history An outstanding feature also makes those hard to pronounce Biblical names easy as they were written in the original language of the script with the pronunciation following the name Also the meanings of some of the names follows the pronunciation Using the wording from the Strong s Exhaustive Concordance of the Bible gives His Word a detailed come to life picture in your mind At times you can see the glistening green grass or smell the fragrant smoke of spices If you listen carefully you can hear the vibrating trumpet ram s horns or taste the sticky gummy syrup of honey You might even be able to feel with your finger the scar from the spikes in the hands and feet of the Messiah Another feature of this version of His Word the Bible is that any added text by our Romanized translations that was not in the original text languages has been put back into its original form Above all this version makes reading and understanding His love letter to us about His Son easy and enjoyable **Theophilos** Michael D. O'Brien,2010-03-12 St Luke addressed his Gospel and the Acts of the Apostles to a man named Theophilos Who was Theophilos Scripture scholars do not know making him a fit subject for Michael O'Brien s vivid imagination In this fictional narrative Theophilos is the skeptical but beloved adoptive father of St

Luke Challenged by the startling account of the Christos received in the chronicle from his beloved son Luke and concerned for the newly zealous young man's fate Theophilos a Greek physician and an agnostic embarks on a search for Luke to bring him home He is gravely concerned about the deadly illusions Luke has succumbed to regarding the incredible stories surrounding Jesus of Nazareth a man of contradictions who has caused so much controversy throughout the Roman Empire Thus begins a long journey that will take Theophilos deep into the war between nations and empires truth and myth good and evil and into unexpected dimensions of his very self His quest takes the reader into four ancient civilizations the Greek Roman Jewish and that of Christianity at its birth where he meets those who knew this man that some believe is the Messiah Though Theophilos is a man of the past ages he is as familiar to us as the men of our own times Schooled in the empiricism of both medicine and philosophy Theophilos is well suited to speak to our age in which seeing cannot be the basis for faith but rather hearing the witness of those who have been touched by God and opening ourselves to the possibility of an encounter with the living Christ This is a story about the mysterious interaction of faith and reason the psychology of perception and the power of love over death

The Gathering at Big Sur Lawrence McGuire, 2003 Sex drugs radical environmentalism communal drumming wild dancing nature worship and raging bonfires Lara is thrown into the cauldron of the counterculture Ensnared by affection By dependency By the ancient fear of being alone Lara a young woman in her early 20's finds herself in California traveling with two men a hobo street musician named Leatherwood and Paul an escapee from Graduate School obsessed with the writings of J Krishnamurti Lara is romantically attracted to both men but both are leading her away from her goal return to normal society get her college degree and begin her career Lara makes the fateful decision to go with the two men to The Gathering at Big Sur in the mountains near the California coast In Lara's humorous skeptical voice we share a young woman's struggle to find personal freedom and independence Lara tells a story seething with action and emotional conflict Only by following her inner voice will she escape from a desperate situation The Gathering at Big Sur is Book Two of the trilogy A Pilgrimage to Ojai Book One narrated by Leatherwood is titled The Great American Wagon Road also available through Virtualbookworm.com And Book Three is Paul's Ojai Journal Each book is complete unto itself However the three together form parts of a whole powerful story

Traveler's Tale—Second Book: Roger Fiola, 2017-03-29 Praise for Travelers Tale First Book Discoverings In Travelers Tale Roger Fiola has produced the equivalent of an alchemical experiment Mixing historical knowledge imagination and the anxieties of our broken age he brings the reader to the reality of Christ's presence This first volume of a narrative series shows how the spiritual journey can be conducted and how far it can lead Bruce Chilton Author of numerous books on the historical Jesus and Scripture including Rabbi Jesus An Intimate Biography Visions of the Apocalypse Receptions of John's Revelation in Western Imagination Iddings Bell Professor of Religion at Bard College Rector of the Church of St John the Evangelist Travelers Tale First Book Discoverings is at once a serious dive into issues of faith and truth and a compelling tour de force dialogue with the pivotal figures in the origins of Christianity On his journey of

discovery Jack Castros questions and doubts are Everymans but his journey of discovery in this first volume is unique a fascinating trip through ancient destinations with characters we have heard of but never known with such depth and intimacy Its a wild ride through the magic and mystery of a sacred and powerful time loaded with wisdom and wit Ellen Gunter Author Earth Calling A Climate Change Handbook for the 21st Century **The Seventh That I Am** Terry Clark,2024-10-10 The number 7 is seen throughout the Bible and every religious text just as I am is a universal story told to mankind in every culture and science It is a mystery to be revealed the only hope that we can all be one with the cosmos and the laws of nature of what we call God for our salvation before it is too late It is my greatest love and care and my lifetime work to give this information to help and explain our dilemma The Actual Jesus Tina Pippin,2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels **God's Blueprint** Christopher Knight,2015-05-12 From the co author of the international bestseller Who Built the Moon comes this well researched scientific study of the possibility of a divine creator or God This book puts the idea of God on trial Whilst the case has been hotly disputed over recent generations with scientists on one side and theologians on the other evidence either way has been thin on the ground Faith belief without evidence has been the basis for the world s major religions Most scientists reject the notion of God because they require factual empirical evidence in order to accept any proposition as being real However new information has become available which appears to provide hard nosed evidence of God s existence Can faith be replaced by understanding and can scientists formally embrace once again the concept of a supreme being as they did in Isaac Newton s day Nothing less than God s blueprint appears to have been discovered found by chance by the author while researching the science of the Neolithic late Stone Age people of western Europe The case will be tried taking the evidence step by step You the reader are the jury You must evaluate the evidence as the proceedings develop and to aid you there will be a brief summing up at the end of each section At the close of the book you are asked to make a judgment as to whether the case is proven or not Does God exist
