Ski Colorado Travel Guide:

Colorado Travel Guide Anthony Gubitoso, 2016-01-19 Colorado is a state of wild contrasts From the flat plains of the eastern portion of the state to some of the Rocky Mountains highest peaks to the high desert and red rock country of the western reaches of the state the landscape is incredibly varied home to many diverse ecosystems and natural marvels and supports a thriving hunting and outdoors culture that draws people from around the world And yet the contrasts in the natural landscape are nothing compared to the political and social contrasts you will find here Like much of the rest of the American West Colorado is a traditionally rural state with a frontier heritage and a very pro business attitude But here you will also find fiercely liberal communities in the college and resort towns that have been home to hippies and major countercultural figures There s a wide range of outlooks and attitudes here in a state that lives up to its nickname Colorful Colorado Colorado is one of the world s top destinations for alpine skiing snowboarding and other winter mountain sports Home to 26 ski areas and resorts Colorado offers the perfect location to take a family or solo or couples vacation to From beginners to expert mountains these resorts are open to anyone Even for the non skiers the resorts and ski towns offer shopping spas tubing and any multiple other fun attractions to enjoy Many of these resorts are only 1 2 hours outside of Denver Colorado is split down the middle north to south by the Rocky Mountains To the east is a region of high prairie dry and wide open To the west are rugged mountains arranged in various groups or ranges Interestingly the largest single range in the state the San Juan Mountains of the southwestern quarter aren t technically part of the Rockies Meandering through the mountains is an imaginary line called the Continental Divide This marks the flow of precipitation Rain falling on the west of the Divide makes its way to the Pacific Ocean Rain on the east makes its way to the Gulf of Mexico and the Atlantic Ocean What may be surprising to visitors however is that despite stereotypes comparatively little of the state is actually mountainous Perhaps a third of it is covered by hills or mountains and even less is actually home to the soaring jagged peaks for which the state is known Those who ve never been to Colorado might imagine a frigid snowy states However Denver s 300 sunny days a year and overall mild temperatures are a point of pride among Coloradoans Due to the Rocky Mountains which split the state in half climate differs greatly from east to west low to high The weather changes rapidly and unpredictably so be prepared for anything if you re traveling in most seasons Colorado is also an exceptionally dry state and has suffered through several recent droughts Drink lots of waters and watch for dehydration Winter is generally cold though the weather is drastically different depending on elevation While the mountains are likely to experience frequent snow storms guaranteeing lots of fresh powder for skiing these become less and less frequent as one travels down on the Eastern slopes Lower elevations to the east of the Rockies experience occasional snow storms and even huge blizzards but low temperatures seldom last long and the winter is frequently interrupted by warm days with temperatures in the 50s 60s or even higher Bring warm snow clothes but also a light jacket While March is the snowiest month of the year the warm days of

spring are more frequent in this month and even in the mountains it is not unusual for temperatures to rise to the 60s or above making for some very interesting skiing colorado travel guide colorado travel book travel guide colorado colorado guide book *Colorado Travel Guide* Alan Davis,2017-10-10 Colorado is one of the world s top destinations for alpine skiing snowboarding and other winter mountain sports Home to 26 ski areas and resorts Colorado offers the perfect location to take a family or solo or couples vacation to From beginners to expert mountains these resorts are open to anyone Even for the non skiers the resorts and ski towns offer shopping spas tubing and any multiple other fun attractions to enjoy Many of these resorts are only 1 2 hours outside of Denver Skiing isn t the only reason thousands of people travel to Colorado each year During the summer months Colorado offers perhaps some of the best white water rafting in the country The Arkansas River is one of the most rafted river in the country with over 50 000 rafters experiencing the pounding white water of The Ark as the locals call it Many of the outfitters are less than 2 hours outside of Denver and offer a variety of trips for all ages and experience levels This travel guide will be a great supplement as you venture through Colorado [The Kid's Guide to Denver, Boulder & Colorado's Ski Country](#) Eileen Ogintz,2014-12-02 Before you plan your family s next excursion get some help from a travel professional and your kids Kid s Guide to Denver Boulder lets the kids help plan the trip and guides you as you explore these Colorado destinations Inside you ll find kid tested tips on where to go where to eat what to see and where to get the best souvenirs Along the way your kids will be engaged by reading and sharing fun facts and cool travel tips Awesome games and quizzes will keep the family entertained Fun for both visiting and local kids [Insight Guides Colorado: Travel Guide eBook](#) Insight Guides,2021-11-16 Insight Guides Colorado Travel made easy Ask local experts Comprehensive travel guide packed with inspirational photography and fascinating cultural insights From deciding when to go to choosing what to see when you arrive this guide to Colorado is all you need to plan your perfect trip with insider information on must see top attractions like Denver Art Museum Pikes Peak and the Old Fort National Historic Site and cultural gems like the serrated alpine peaks of the Rocky Mountains winery tours through Grand Junction and steep drives along the San Juan Skyway with its million dollar views Features of this travel guide to Colorado Inspirational colour photography discover the best destinations sights and excursions and be inspired by stunning imagery Historical and cultural insights immerse yourself in Colorado s rich history and culture and learn all about its people art and traditions Practical full colour maps with every major sight and listing highlighted the full colour maps make on the ground navigation easy Editor s Choice uncover the best of Colorado with our pick of the region s top destinations Key tips and essential information packed full of important travel information from transport and tipping to etiquette and hours of operation Covers The Northwest Corner Steamboat Springs Rocky Mountain National Park Boulder and Environs Denver The Eastern Plains I 70 the High Rockies Colorado Springs and Environs San Luis Valley San Juan Mountains Aspen and the Central Rockies Mesa Verde and the Southwest Corner Looking for a specific guide to the USA Check out Insight Guides Alaska for a detailed and entertaining
