Feminist Theology and Contemporary Dieting Culture Hannah Bacon,2019-08-08 Hannah Bacon draws on qualitative research conducted inside one UK secular commercial weight loss group to show how Christian religious forms and theological discourses inform contemporary weight loss narratives Bacon argues that notions of sin and salvation resurface in secular guise in ways that repeat well established theological meanings The slimming organization recycles the Christian terminology of sin spelt Syn and encourages members to frame weight loss in salvific terms These theological tropes lurk in the background helping to align food once more with guilt and moral weakness but they also mirror to an extent the way body policing techniques in Christianity have historically helped to cultivate self care The self breaking and self making aspects of women s Syn watching practices in the group continue certain features of historical Christianity serving in similar ways to conform women s bodies to patriarchal norms while providing opportunities for women s self development Taking into account these tensions Bacon asks what a specifically feminist theological response to weight loss might look like If ideas about sin and salvation service hegemonic discourses about fat while also empowering women to shape their own lives how might they be rethought to challenge fat phobia and the frenetic pursuit of thinness As well as naming as sin principles and practices which diminish women s appetites and bodies this book forwards a number of proposals about how salvation might be performed in our everyday eating habits and through the cultivation of fat pride It takes seriously the conviction of many women in the group that food and the body can be important sites of power wisdom and transformation but channels this insight into the construction of

theologies that resist rather than reproduce thin privilege and size ist norms Crockpot Recipes: 70 Delicious Family Slow Cooker Recipe Favourites Recipe This, I have been Crockpot Cooking since 2004 That was the exact year I got my favourite white crockpot Since then it has been paired up with more slow cookers and other crockpots These 70 delicious slow cooker Crockpot recipes are based on my personal favourites Ones that are tried and tested that our family LOVES With a mixture of healthy crockpot recipes crockpot dinners crockpot sauces and soups we have something for everyone We hope you enjoy our Crockpot recipes and welcome to the wonderful world of slow cooking *Man v Fat* Andrew Shanahan,2014-12-15 *Man v Fat* is a practical and supportive resource for men written by a normal bloke who just wanted to lose some weight One day Andrew Shanahan took a guttie to text to a mate But once he had taken the photo he couldn t stop looking at it He realised how unhappy he was about his body and resolved to change it However he soon learned that the dieting industry had turned its back on men Men were expected to get fit tone up and turn fat into a six pack in six weeks There was nothing for men who simply wanted to lose their beer belly play football again and feel more confident So Andrew decided to do something about this In *Man v Fat* Andrew Shanahan will give you everything you need to know in order to lose weight breaking it down into three essential components Stage 1 Understand why you got fat Stage 2 Learn how to lose weight Stage 3 Create a winning structure *Man v Fat* is not a diet book or a commercial diet plan It will explain and myth bust the various diets available so you can choose the one that will work best for you or even create your own It will help you to supercharge your motivation set specific goals and teach you how to track and review them identify threats and create a support network and of course troubleshoot common hurdles There are plans to get you walking running or cycling optional activity or make the most of obligatory activity Plus a perfect week plan and perfect month plan to get you started In the battle of man against fat this book is your ultimate weapon **Best ever recipes** Slimming World,2014-04-30 Eat the Slimming World way and gain a whole new lease of life Slimming World Best Ever Recipes brings you 120 mouth watering quick healthy and easy to follow recipes to savour and enjoy beautifully photographed What are you waiting for One of the best slimming recipe book to come out in a long time Reader review Loads of classic meals to help you lose weight Reader review I loved this book great recipes easy to follow Reader review Great recipes and easy to cook with tasty results Reader review Food Optimising is the name given by Slimming World to their highly successful weight loss technique that enables slimmers to lose weight without ever having to go hungry It is the most slimmer friendly eating system there is and is based on a deep understanding of the challenges faced by overweight people no foods are banned there is no calorie counting and there are hundreds of free foods that can be eaten in unlimited amounts Published to coincide with the 40th anniversary of Slimming World Best Ever Recipes draws on Slimming World s 40 years of unrivalled experience in helping slimmers achieve their target weight Packed with nutritional lifestyle and diet information as well as more than 120 new healthy yet delicious recipes it is the definitive guide to successful and enjoyable weight loss **Stop Thinking Start Acting** Adem Garip,2020-10-14 I am a qualified personal
