Six Weeks to Words of Power Wilfred John Funk, 1974 Creating Magickal Words Am Castwell, 2024-07-11

Creating Magickal Words is a guide for an innovative new method of crafting genuine magick words. A process based upon common metaphysical and occult principles never before combined in a way such as this. This guide is meant to inspire and ignite the imagination of those who would dare take up this new and exciting spell craft. Many who are drawn to magickal practices have at one time or another imagined what it would be like if magickal words could ever truly exist. Certainly as kids or kids at heart we have uttered the odd abracadabra or a magickal word from a favorite book, movie, or television show. The method herein is a first attempt at making magickal words as much of a reality that our current Universe will allow. The method is not wishful thinking but it is thinking in a new way. A deliberate way. Mindfully bringing together basic principles of metaphysics and philosophies to create a singular and self-contained spell in the form of a magick word.
