Kendall,2004 The 2000 case of *Little Sisters Book and Art Emporium v Customs Canada* provided Canada s highest court with its first opportunity to consider whether the analysis set out in *R v Butler* in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience The Court held that it did finding that like heterosexual pornography same sex pornography also violates the sex equality interests of all Canadians Christopher Kendall supports this finding arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation misogyny and homophobia alike by sexually conditioning gay men to those attitudes and practices The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the *Little Sisters* case the notion of empowerment and the rejection of those values that daily result in all that is anti gay have been replaced with a misguided community ethic and identity politic that encourages inequality This is best exemplified in the gay male pornography defended in *Little Sisters* as liberation and central to sexual freedom *Gay Male Pornography* rejects the equality claims of gay male pro pornography advocates and argues that there is little to be gained from sexualized conformity To date no one has taken the position that gay male pornography violates the legal right to sex equality This book does that and as such it will be of value to scholars of law sociology and gender studies as well as to all who have an interest in equality and justice [Slave Training](#) Mistress Dede,2015-03-11 Domination and submission perhaps you re aware of it from *Fifty Shades of Grey* or perhaps you re a seasoned practitioner whatever your experience level and expectations this guide will provide you with a step by step blueprint of exactly what you will need to do in order to train your submissive partner s and have him her delighting in obeying your every command In this guide you will learn about all of the steps which are conducive towards developing a positive Dom sub relationship which means you ll be learning about how to prepare a Domination and submission relationship in the first place the protocols which you may use to maintain discipline in your sub practices for physical sexual and attitude submission how you and your sub can use rituals to get into and out of your roles when engaging in D s scenes and there will even be some more advanced techniques mixed in throughout the guide which will help you take your Domination and submission experience to the next level Without further ado let s begin *The Way of the Pleasure Slave* Andrew James,2019-06-29 From the author of *MISS ABERNATHY S CONCISE SLAVE TRAINING MANUAL* comes a new guide to consensual erotic slavehood for submissive women and the Dominants who love them *THE WAY OF THE PLEASURE SLAVE* explores all aspects of this distinctive relationship style Moving from fantasy to reality

The Roman Guide to Slave Management Jerry Toner, 2014-09-04 A scholar explores the history of slavery in Ancient Rome using a fictional story as a backdrop Marcus Sidonius Falx is an average Roman citizen Born of a relatively well off noble family he lives on a palatial estate in Campania dines with senators and generals and like all of his ancestors before him owns countless slaves Having spent most of his life managing his servants many of them prisoners from Rome's military conquests he decided to write a kind of owner's manual for his friends and countrymen The result *The Roman Guide to Slave Management* is a sly subversive guide to the realities of servitude in ancient Rome Cambridge scholar Jerry Toner uses Falx his fictional but true to life creation to describe where and how to Romans bought slaves how they could tell an obedient worker from a troublemaker and even how the ruling class reacted to the inevitable slave revolts Toner also adds commentary throughout analyzing the callous words and casual brutality of Falx and his compatriots and putting it all in context for the modern reader Written with a deep knowledge of ancient culture and the depths of its cruelty this is the Roman Empire as you've never seen it before By turns charming haughty and brutal an ingenious device *The New Yorker* Toner's history and commentary provides context for the dirty institution upon which modern civilization is built Publishers Weekly
