

The background of the cover features a dark, high-contrast image of a violin, shown from a side profile. The body of the violin is a deep, dark color, while the f-hole and the bridge are highlighted in a lighter, metallic or silver tone. Overlaid on the violin and the dark background are several thin, white geometric lines. These lines form various shapes, including circles, arcs, and intersecting lines that resemble a technical drawing or a mathematical diagram. The lines are most prominent on the left side of the cover, where they create a sense of depth and complexity. The overall aesthetic is sophisticated and academic, reflecting the subject of the book, which is calculus.
