Victor Matthews Warfare Manual:

Spiritual Warfare Handbook Victor Matthews PhD, 2025-01-24 The non fiction real world subject of the spiritual battle between good and evil is for the most part taboo The majority of society has chosen to hide in one way or another But there are many people who simply cannot avoid the truth of this struggle Here we have such a story written by the hand of the person who personally experienced it all This text should be approached scientifically and not as some oddity because it is all too real and common If you are a believer then this will be an informative and helpful guide and if not then perhaps this may bring some clarity into your world concerning darkness and confusion It is not easy material It is written in an easy conversational style but the subject matter is frightening and difficult for most Do not be afraid You need to know the truth and you need to be armed God has not given us a spirit of fear but of power and of love and of a sound mind 2 Tim 1 7 To paraphrase Ephesians 6 this is just one more tool to help you put on the full armor of God and having done everything to stand stand therefore God bless you all
