Victors Chastity English Edition:

Caesar Adrian Goldsworthy,2020-08-11 This captivating biography of the great Roman general puts Caesar's war exploits on full display along with his literary genius and more The New York Times Tracing the extraordinary trajectory of the Julius Caesar's life Adrian Goldsworthy not only chronicles his accomplishments as charismatic orator conquering general and powerful dictator but also lesser known chapters during which he was high priest of an exotic cult and captive of pirates and rebel condemned by his own country Goldsworthy also reveals much about Caesar's intimate life as husband and father and as seducer not only of Cleopatra but also of the wives of his two main political rivals This landmark biography examines Caesar in all of these roles and places its subject firmly within the context of Roman society in the first century B C Goldsworthy realizes the full complexity of Caesar's character and shows why his political and military leadership continues to resonate thousands of years later Richard Wagner and Buddhism Urs App,2011 It is little known that Richard Wagner was among the very first Westerners to appreciate Buddhism and that he was the first major European artist to be inspired by this religion In 1856 in the prime of his creativity the 33 year old artist read his first book about Buddhism Madly in love with Mathilde Wesendonck a beautiful but happily married woman he conceived two deeply connected opera projects Tristan und Isolde which he went on to compose and stage and Die Sieger The Victors an opera scenario based on an Indian Buddha legend translated from Sanskrit These two projects mirrored Wagner's burning desire for the consummation of his love and the necessity of renunciation This Buddhist opera project occupied Wagner's mind for decades until his death in 1883 Indeed the composer's last words were about the Buddha figure of his scenario and his relationship with women Urs App the author of The Birth of Orientalism University of Pennsylvania Press and the world's foremost authority on the early Western reception of Buddhism tells the story of Richard Wagner's creative encounter with Buddhism and explains the composer's last words **Cosmism** Yoda Oraiah,2022-06-09 Standing on the riches of humanity's holy books and traditions drawing on our wealth of scientific and technological knowledge and injecting his own creativity and humour Yoda Oraiah presents his readers with a potential new religion Cosmism Cosmism A New Hope for Humanity is a thorough exploration of human belief and creed through history accompanied by an exhaustive detailing of a new way a new understanding and an inspired approach to life Cosmism is a Space Age philosophical model and belief system that is built upon the aspects of intelligence and consciousness present in the universe It sees the entire Cosmos as God and humans as part and parcel of this great orderly system we seem to live in Cosmists believe that since we are part of this Cosmos we have the capacity to influence its life and evolution and our relationship with this greatest system is something important to recognize and cherish in our lives Hard hitting thought provoking and entertaining Cosmism A New Hope for Humanity will challenge readers to explore their place in the Cosmos and their relationship with its other inhabitants *Milton and the Metamorphosis of Ovid* Maggie Kilgour,2012-02-02 Milton and the Metamorphosis of Ovid contributes to our understanding of the Roman poet Ovid the

Renaissance writer Milton and more broadly the transmission and transformation of classical traditions through history It examines the ways in which Milton drew on Ovid's oeuvre as well as the long tradition of reception that had begun with Ovid himself and argues that Ovid's revision of the past and especially his relation to Virgil gave Renaissance writers a model for their own transformation of classical works Throughout his career Milton thinks through and with Ovid whose stories and figures inform his exploration of the limits and possibilities of creativity change and freedom Examining this specific relation between two very individual and different authors Kilgour also explores the forms and meaning of creative imitation Intertextuality was not only central to the two writers poetic practices but helped shape their visions of the world While many critics seek to establish how Milton read Ovid Kilgour debates the broader question of why does considering how Milton read Ovid matter How do our readings of this relation change our understanding of both Milton and Ovid and does it tell us about how traditions are changed and remade through time **Renaissance Configurations** G. McMullan, 2016-01-08

Renaissance Configurations is a ground breaking collection of essays on the structures and strategies of Early Modern culture as embodied in issues of gender sexuality and politics by a group of critics from the new generation of Early Modern specialists The essays focus on the relations of public and private of verbal and spatial of textual and material reading and re reading texts both canonical and non canonical with a textual and historical rigour often considered lacking in work with theoretical premises The collection as a whole offers a clear sense of the direction to be taken by Early Modern studies over the next decade The Arthurian Name Dictionary Christopher W. Bruce, 1999 A comprehensive encyclopedia of characters places objects and themes found in the legends of King Arthur and the Knights of the Round table Draws from all significant source between Gildas De Excidio Britanniae written about 540 AD and Tennyson's 19th century Idylls of the King including versions from throughout Europe The entries range from a short identifying sentence to nearly ten pages for the king himself Each is referenced to a source which are presented in a endtable showing author and title date form and language description keywords from the entries and recent editions a vital bit of information such references usually neglect The cross referencing is fairly good often done as a full entry identifying a name as a variant of another so the lack of an index is not a problem

lastly after He had willed that upon the Cross His Heart should be opened and continue open as a place of refuge for all then was devotion to His Divine Heart wonderfully increased Aeterna PressAeterna Press **Ante-Nicene Fathers: Fathers of the Early Church (Complete)** Philip Schaff, The Church of God which sojourns at Rome to the Church of God sojourning at Corinth to them that are called and sanctified by the will of God through our Lord Jesus Christ Grace unto you and peace from Almighty God through Jesus Christ be multiplied Owing dear brethren to the sudden and successive calamitous events which have happened to ourselves we feel that we have been somewhat tardy in turning our attention to the points respecting which you consulted us and especially to that shameful and detestable sedition utterly abhorrent to the elect of God which a few rash and self confident persons have kindled to such a pitch of frenzy that your venerable and illustrious name worthy to be universally loved has suffered grievous injury For who ever dwelt even for a short time among you and did not find your faith to be as fruitful of virtue as it was firmly established Who did not admire the sobriety and moderation of your godliness in Christ Who did not proclaim the magnificence of your habitual hospitality And who did not rejoice over your perfect and well grounded knowledge For ye did all things without respect of persons and walked in the commandments of God being obedient to those who had the rule over you and giving all fitting honour to the presbyters among you Ye enjoined young men to be of a sober and serious mind ye instructed your wives to do all things with a blameless becoming and pure conscience loving their husbands as in duty bound and ye taught them that living in the rule of obedience they should manage their household affairs becomingly and be in every respect marked by discretion *VISION and RE-VISION* Beena. G,2019-07-15 How different would mythological narratives be if women voiced their perspectives Amidst great wars superhuman heroes and their glorious victories is there a place for women Are great wars limited to armed conflicts between armies of men on the battlefields Do women have their own battles before after and beyond the confines of wars in the epic narratives of India Both the Ramayana and the Mahabharata have integrated into our social and cultural fabric and permeated into the myriad layers of life across genres and media It is a common practice to revisit mythological landscapes and realign the lenses to look at them afresh from different perspectives Re renderings often bring in multiple interpretations that are creative and critical adding variety and currency to the original narratives Vision and Re vision traces the lives of seven marginalized women from revisionist works against the central motif of war It follows the pursuits of Ganga Surpanakha Uruvi Sita Urmila Satyawati and Draupadi to understand their struggles and victories as women Analyzing textual spaces provided to women it explores their marginalized voices and their resistance patterns These in turn establish new narratives of subversion and reclaim the voices and identities of women from the margins A sound theoretical framework enables a comprehensive understanding of feminism and its distinct Indo centric identity *What Shall I Be?
