Clinical Guide to the Diagnosis and Treatment of Mental

Disorders Michael B. First, Allan Tasman, 2011-08-31 Two key challenges face mental health practitioners making the correct psychiatric diagnosis and choosing the most appropriate treatment option This book aims to help with both Clinical Guide to the Diagnosis and Treatment of Mental Disorders Second Edition combines clinically relevant information about each of the DSM IV TR diagnoses with clear detailed information on treatment options giving full clinical management advice Once again the editors both leading psychiatrists have condensed the chapters on Disorders from Tasman et al s acclaimed two volume textbook of Psychiatry now in its Third Edition retaining only the content they deem particularly relevant to the clinician for ease of use Each disorder is discussed under the headings of Diagnosis including Assessment Issues Comorbidity Course and Differential Diagnosis giving diagnostic decision trees where relevant and Treatment listing all therapeutic options giving practical advice for patient management summarising treatment specifics with tables and treatment flowcharts The original edition established itself as the first point of reference for any clinician or mental health practitioner needing expert advice on therapeutic options for any psychiatric disorder This edition features an additional chapter on the psychiatric interview and assessment of mental status to increase its utility It echoes the progress in psychiatry regarding the establishment of an evidenced based model of taxonomy diagnosis etiology and treatment Indeed from a psychologist s perspective the equal consideration provided to empirically supported psychosocial treatments versus somatic treatment is a significant development in the field of psychiatry Jonathan Weinand in PsycCritiques the American Psychological Association Review of Books

[Guides for Health & Longevity](#) Alison Laura Goodman, 2011-07-18 The book is guide for healthy living which will help anyone elongate his or her lifespan in this sinful world The title of this treatise could therefore be How to live longer but nowadays because of the problems of survival in this precarious world many prefer to go early We know of course that a rational man will think twice before destroying his God given soul For a Christian this is out of the question because it is a mortal sin The soul does not belong to mortals it is God s property given to us with love We are enjoined to keep it nourished and safe until we are called upon to return it by the Owner the Lord and Landlord of the universe
