Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume. To place your standing order please call 1 800 848 6224 in the U S or 919 966 7449 outside the U S. The most widely acclaimed reference series in education and psychology the Mental Measurements Yearbooks are designed to assist professionals in selecting and using standardized tests. The series initiated in 1938 provides factual information, critical reviews, and comprehensive bibliographic references on the construction, use, and validity of all tests published in English. The objectives of the Mental Measurements Yearbooks have remained essentially the same since the publication of the series. These objectives include provision to test users of factual information on all known tests published as separates in the English speaking countries of the world, candidly critical test reviews written for the MMY series by qualified professional people representing a variety of viewpoints, unique publication of each volume in the MMY series with new volumes supplementing rather than supplanting previous series volumes. Each yearbook is a unique publication supplementing rather than supplanting the previous volumes.
