Catalogue of English and American Chapbooks and Broadside Ballads in Harvard College Library Harvard University. Library,1905 **Managing Sex Offender Risk** Ms Hazel Kemshall,Gill McIvor,2004-09-15 Based on key research into assessment treatment and recidivism this book offers practical guidance on improving intervention techniques with sex offenders The contributors explore the monitoring and surveillance strategies and cognitive behavioural techniques currently in use and give clear directions for future practice Journal of Delinquency ,1920 Criminal Law Jonathan Herring,2025-05-15 Written by one of the leading experts in the field this textbook is the ideal companion for undergraduate and postgraduate students looking for an accessible engaging and concise introduction to criminal law Covering the basic principles of criminal liability the newly updated 14th edition specifically highlights the criminal offences which not only best illustrate the underlying criminal law principles but also feature most heavily on substantive criminal law modules A perfect combination of underlying theory and contemporary debates and controversies this text is the one stop shop for all students determined to excel on their criminal law courses *Sexual Offending by Strangers* Paul V. Greenall,2024-08-01 Exploring a specific type of sexual violence committed by a specific type of sexual offender namely adult male on adult female stranger sexual violence this book provides readers with an enhanced understanding of both the offences being committed and the offenders who commit them Although acts of serious stranger sexual violence are rare they are important as they occur in the context of there being no pre existing relationship between the offender and victim meaning they present significant challenges to criminal justice practitioners who are required to investigate assess and understand such offending Arguing for the importance of adopting an ideographic perspective this book encourages readers to draw upon a variety of different theories and models as appropriate such as considering the impact of a behavioural conditioning process where sexual violence is a manifestation of prior learning or early life experiences Divided into four sections this comprehensive volume guides the reader through key concepts different types of stranger sexual violence and applications to criminal justice practice Sexual Offending by Strangers will be of use to police officers prison officers and practitioners working with offenders in either secure or community settings It will also be of value to students and scholars researching the topic of sexual violence **Cases in Clinical Forensic Psychology** Margo C. Watt,2023-11-01 Clinical forensic psychology is defined by the application of clinical psychology assessment diagnosis treatment and consultation in legal contexts The term captures the integration of clinical psychology as an applied professional discipline and forensic psychology as an experimental discipline Cases in Clinical Forensic Psychology offers a series of case studies that allow readers to take an up close and personal look at the criminal justice system in Canada Clinical forensic psychologist Margo C Watt examines the particulars of each case including the biological psychological social cultural and legal factors The book takes an evidence based approach and highlights how the science of clinical forensic psychology informs all aspects of criminal cases police

investigative techniques eyewitness testimony pretrial publicity jury selection and decision making forensic evaluations psychological autopsies mental health in corrections and more Examining incidents ranging from false confessions to wrongful convictions to deaths in custody and the criminals who got away Cases in Clinical Forensic Psychology questions how and why these events happened and considers what we can learn from them The Structures of the Criminal Law R. A. Duff, Lindsay Farmer, S. E. Marshall, Massimo Renzo, Victor Tadros, 2011-12-08 Criminalization is a new series arising from an interdisciplinary investigation into the issue of criminalization focussing on the principles and goals that should guide decisions about what kinds of conduct are to be criminalized and the forms that criminalization should take Developing a normative theory of criminalization the six volumes will tackle the key questions at the heart of issue By reference to what principles and goals should legislations decide what to criminalize How should criminal wrongs be classified and differentiated And how should law enforcement officials apply the law s specification of offences The second volume in the series concerns itself with the structures of criminal law in three different senses The first examines the internal structure of the criminal law itself and the questions posed by familiar distinctions between which offences are typically analysed These questions of classification include discussion of the growing range of crimes and the problems posed by this broadening of definition Should traditional ideas and conceptions of the criminal law be reshaped in light of recent developments or should these developments be criticized and refuted Structures of criminal law also refer to the place of the criminal law within the larger structure of the law Here the book examines the relationships with and between the criminal law and other aspects of law particularly private law and public law It also looks at how the criminal law is made and by whom Finally the third sense of structure is outlined the relationships between legal structures and social and political structures What place does the criminal law have within the existing political and social landscapes What are the influences both political and social upon the criminal law and should they be allowed to influence the law in this fashion What is its proper role Focussing not only on the questions about the criminal law s proper scope but also on crucial questions about how crimes should be structured defined and classified this book provides a deeper understanding of criminalization Sexual Murderers Jean Proulx, Eric Beauregard, Maurice Cusson, Alexandre Nicole, 2007-09-10 Little is known about Sexual Murderers those who kill in a sexual context Recent studies have compared their backgrounds and characteristics with that of rapists and or violent non sexual offenders This translation of a French original by the renowned Jean Proulx challenges existing knowledge on sexual murders offers new tools for profiling and interrogation and helps to establish a new research base Current theories of sexual murder its prevalence reasons including attachment theories profiling and interrogation techniques are all addressed in Proulx s distinctive thought provoking style **Sexual Murder** Louis B. Schlesinger, 2021-03-22 Sexual Murder Catathymic and Compulsive Homicides is the culmination of the author s 45 years of experience with and studying sexually motivated homicide Sexual murders are generally of two types catathymic and compulsive Catathymic homicides are caused by a

breakthrough of underlying sexual conflicts They can be unplanned explosive acute attacks or planned murders stemming from a chronic obsession with or disturbed attachment to the victim In compulsive homicides a fusion of sex and aggression results in a powerful internal drive which pushes the offender to seek out victims to kill and the killing itself is sexually gratifying These murders also may be planned or unplanned In compulsive homicides that are unplanned the urge breaks through and disrupts the offender's controls when a victim of opportunity crosses his path The compulsive offender who plans his crimes often eludes law enforcement and as a result he can have multiple serial victims over extended periods of time Both forms of sexual murder the catathymic and the compulsive are presented in this volume from a clinical descriptive perspective encompassing case studies with analysis Recent advances in empirical research in sexual murder including findings from the joint research project between John Jay College of Criminal Justice and the FBI Behavioral Analysis Unit in Quantico has published many important studies These include such topics as necrophilia foreign object insertions in sexual homicide ritual and signature and temporal patterns in serial sexual homicide mass murder crime scene staging in homicide and undoing symbolic reversal at homicide scenes All such research will be included and incorporated into this fully updated Second Edition including approximately fifty new clinical case studies Barry MacSweeney and the Politics of Post-War British Poetry Luke Roberts, 2017-03-18 This book examines the literary impact of famed British poet Barry MacSweeney who worked at the forefront of poetic discovery in post war Britain Agitated equally by politics and the possibilities of artistic experimentation Barry MacSweeney was ridiculed in the press his literary reputation only recovering towards the end of his life which was cut short by alcoholism With close readings of MacSweeney alongside his contemporaries precursors and influences including J H Prynne Shelley Jack Spicer and Sylvia Plath Luke Roberts offers a fresh introduction to the field of modern poetry Richly detailed with archival and bibliographic research this book recovers the social and political context of MacSweeney's exciting challenging and controversial impact on modern and contemporary poetry *Managing High Risk Sex Offenders in the Community* Jackie Craissati, 2004-06-02 How can a psychological framework improve the success of risk management The management of sex offenders in the community is of paramount concern to the general public and this is reflected in the numerous recent changes to public protection procedures *Managing High Risk Sex Offenders in the Community* covers both the assessment and management of high risk sex offenders in the community with an emphasis on evidence based approaches The reader will be able to access the most widely used actuarial approaches to risk assessment and understand the clinical themes that underpin such variables The book answers questions including Are sex offenders likely to escalate their behaviour if not stopped Is the risk on the streets or at home Can we differentiate between those offenders who will and those who will not reoffend This book links psychologically based theoretical principles with practical considerations for professionals in the field By demystifying the current state of knowledge on risk posed by sex offenders practitioners will be well placed to engage in defensible decision making and strive for best practice in the community
