Jazz Radio America Aaron J. Johnson, 2024-12-10 Once a lively presence on radio jazz now finds itself relegated to satellite broadcasters and low watt stations at the edge of the dial Aaron J Johnson examines jazz radio from the advent of Black radio in 1948 to its near extinction from the commercial dial after 1980 Even in jazz s heyday programmers and DJs excluded many styles and artists and Johnson delves into how the politics of decision making and the political uses of the medium shaped jazz radio formats Johnson shows radio s role in the contradictory perceptions of jazz as American s model artistic contribution to the world as Black classical music and as the soundtrack of African American rebellion and resistance for much of the twentieth century An interwoven story of a music and a medium Jazz Radio America answers perennial questions about why certain kinds of jazz get played and why even that music is played in so few places

The Routledge Companion to Jazz Studies Nicholas Gebhardt, Nichole Rustin-Paschal, Tony Whyton, 2018-12-07 The Routledge Companion to Jazz Studies presents over forty articles from internationally renowned scholars and highlights the strengths of current jazz scholarship in a cross disciplinary field of enquiry Each chapter reflects on developments within jazz studies over the last twenty five years offering surveys and new insights into the major perspectives and approaches to jazz research The collection provides an essential research resource for students scholars and enthusiasts and will serve as the definitive survey of current jazz scholarship in the Anglophone world to date It extends the critical debates about jazz that were set in motion by formative texts in the 1990s and sets the agenda for the future scholarship by focusing on key issues and providing a framework for new lines of enquiry It is organized around six themes I Historical Perspectives II Methodologies III Core Issues and Topics IV Individuals Collectives and Communities V Politics Discourse and Ideology and VI New Directions and Debates

Bad Music Christopher J. Washburne,Maiken Derno,2013-04-15 Why are some popular musical forms and performers universally reviled by critics and ignored by scholars despite enjoying large scale popularity How has the notion of what makes good or bad music changed over the years and what does this tell us about the writers who have assigned these tags to different musical genres Many composers that are today part of the classical canon were greeted initially by bad reviews Similarly jazz country and pop musics were all once rejected as bad by the academy that now has courses on these and many other types of music

This book addresses why this is so through a series of essays on different musical forms and performers It looks at alternate ways of judging musical performance beyond the critical academic nexus and suggests new paths to follow in understanding what makes some music popular even if it is judged to be bad For anyone who has ever secretly enjoyed ABBA Kenny G or disco Bad Music will be a guilty pleasure **Christian Radio** Bob Lochte,2015-02-16 Religious programming has been on the airwaves since broadcasting began but today it is one of the fastest growing categories in radio This book examines the progression of Christian radio from its beginnings on tiny local stations like WCAL from St Olaf s College in Minnesota to its presence on network and satellite radio of today The author notes the factors that brought Christian music into the mainstream and discusses how network policies and regulations affected the development of Christian radio Also considered are the changing demographics that have contributed to the success of Christian broadcasting Major Christian networks and their evangelical missions are discussed along with such programs A Money Minute Life on the Edge and Focus on the Family which offer practical topical advice for today s Christian The final chapter considers the future of Christian radio
