romantic and delicious for someone you love This book will help you make Valentine s Day or any romantic meal for that matter special And very tasty Valentine s Day is a special and romantic day for many couples The only problem is that restaurants are over filled with other people who are trying to have a nice dinner out Maybe a better idea is to cook a fantastic dinner at home Something special just for the two of you This book of special menus doesn t only consider dinner Don t forget that Valentine s Day lasts all day long and you can whip up a wonderful breakfast brunch or lunch too Make the whole day a memorable one with special food treats Many of the menu plans have elements that can be done ahead to make the preparation a little easier on the day You can also enlist the help of your Honey if you like to cook together in the kitchen

The recipes are a little upscale but not so difficult that a novice cook can't prepare them. The book comes with menu plans to take some of the stress out of planning your romantic feast. Shopping lists are also included if you're in a hurry and don't have time to write it all down before going to the market. Even though this is a Valentine's Day recipe book, you'll find yourself going back to the menus and recipes over and over again any time you want to make something special for the people you love. **Better Homes and Gardens**, 1991      **Man Without a Mate Cookbook** Bob Lunt, 1992-09

**National 4-H Club News**, 1942      **The Cooking Class Cookbook** Linda Marcinko, 2011-02-09 This wonderful cookbook is the result of the 10 years of cooking classes that I taught plus my vast knowledge of the culinary arts that I acquired through working as an Executive Chef. All of the recipes are easy to use and result in great food. I tell you a little history of each recipe and what type of class it was created for. I taught a variety of classes including baking and pastry classes and many of those recipes are in this book. At the end of many of the recipes I've included notes that may give the reader information on certain ingredients or tell them how to prepare part or all of the recipe in advance. This book also has a Tip and Advice section that touches on some important aspects of cooking. I tested all of the recipes in this book before conducting the classes that they were featured in. In addition, many class participants went home and made the recipes and reported how the food turned out, so I know that these recipes are great and really work. This is so important as it seems that there are a lot of cookbooks out there where the recipes are not tested beforehand. To this day I use these recipes at home because the resulting dishes are so tasty. This is a book that can be used for everyday food and also for special occasion dishes. It has quite a few healthy recipes too. As I am a chef and a registered dietitian, I was called on to teach a lot of classes featuring healthy foods, so I have included those recipes as well. I have made the recipes simple and have not used any hard-to-find ingredients. I really want people to enjoy reading this book and using it a lot. **14 Romantic Valentine's Day Recipes** Teresa L.
