To The Light And Back:

Lightspark VC Thong M.D, Is it so easily defined between good and evil The Millieu forged by a millennium of brutal war between heaven and hell has now flourished under the command of the Red Emperor the only Ange left of his kind With the emperor s grace the strong nation of Avalon has stayed dominant against its other two rivaling countries Another millennium has passed and the savagery of war has mostly forgotten replaced by the illusion of tranquil reinforced by people s blind ignorance But the war is far from over residing at the north is a vast land of Bhadura Covered by desert beneath the deadly sandstorms lies a hidden enemy which has the power to bring threat to the mighty Avalon Guarding the Holy Nation of Avalon is the group of holy knights of four The Four Saints a title granted by the emperor to his greatest warriors with powers rival to the gods they won countless battles against this unknown enemy They are closing in towards the front door of the enemy solely for the sake of peace Now there s a boy in his youth from the peaceful nation of Rosaria in a bustling harbour city of Neberium is hoping to become one of the Saints With the light of hope and the flames of hatred he walks the path where his future is undetermined
