Second Edition Clement C. Butler,2021-04-19 Are there really mansions in heaven In John 14 2 3 Jesus said In my Father s

house are many mansions if it were not so I would have told you I go to prepare a place for you And if I go and prepare a place for you I will come again and receive you unto myself that where I am there ye may be also What specifically was Jesus referring to in this passage In answering these questions this book not only offers the proper context of John Chapter 14 but it does so based on the context of the entire gospel of John Undoubtedly the concept of mansions in heaven is one of the long held beliefs of the church Promoted by teachings and songs it has become the eternal hope of many believers However I am certain that through reading this book what has been traditionally believed and accepted will be replaced with a message that is far more substantial One that is established on the Father's original purpose for humanity
