 areas have turned to Classroom Strategies for Interactive Learning for almost two decades This fully updated fourth edition
 delivers rich practical research based strategies that readers have found invaluable in the context of today s classrooms Doug
 has written all new chapters that focus on the instructional shifts taking place as the Common Core State Standards are
 implemented across the United States These introductory chapters will help you do the following Understand the research
 base for comprehension strategies in content classrooms Learn how to tap into students background knowledge to enhance
 comprehension of complex texts and build new knowledge Show learners how to question a text Teach reading and thinking
 through a disciplinary lens At the heart of this edition are more than forty classroom strategies with variations and strategy
 indexes that identify the instructional focus of each strategy pinpoint the text frames in play as students read and learn and
 correlate students comprehension processes across the phases of strategy implementation In addition each strategy is cross
 referenced with the Common Core s reading writing speaking listening and language standards **Research in Education**
