The Faith of a Religionist Herb Gruning,2024-10-24 Mixing fiction with non fiction the author takes the reader on a ride through what irks him enough to write about first in religion theology and then in science and includes the ideas that Abraham is a model for relating to God an anti dualistic bias is superior to the belief in the survival of the soul the insistence that scripture is to be defended at all costs the notion that theology can be systematized the doctrine of the paradoxical atonement is simply a matter of faith humans have no bearing on climate evolution can only occur gradually purity of race is an attainable goal there is no serious competitor to materialism mediums and spiritists are reliable guides to what the afterlife holds and

artificial intelligence poses little threat The short stories are provided to offer lighter fare to the weightier topics in the non fiction sections The second such story has also been adapted into a film posted on YouTube

Emerging Markets Debt: An Analysis of the Secondary Market Ross Buckley, 1999-06-22 The emerging markets have attained prominence of late as the recent troubles in the principal emerging markets in Asia Russia and Latin America have threatened global stability This book is the first detailed study of emerging markets debt and offers a unique insight into one of the world's more significant and less understood financial markets It offers a comprehensive analysis of the evolution of the market in emerging markets debt from 1983 to date In the aftermath of the debt crisis of the 1980s the banking community discovered the first disposal technique for the sovereign debt of less developed countries andndash a secondary market in that debt This market played a major role in the history and amelioration of the debt crisis the Mexican problems in the mid 1990s and the recent Asian economic crisis The market focus of this study is on the indebtedness of Latin American nations which has formed the backbone of secondary market activity and the recent developments in Asia The regulatory focus is on U S banks and banking regulation This book is essential reading for anyone involved with emerging markets debt bankers traders investors corporate and sovereign issuers finance lawyers and banking regulators

The Profiteers Sally Denton, 2016-03 The tale of the Bechtel family dynasty is a classic American business story It begins with Warren A Dad Bechtel who led a consortium that constructed the Hoover Dam From that auspicious start the family and its eponymous company would go on to build the world from the construction of airports in Hong Kong and Doha to pipelines and tunnels in Alaska and Europe to mining and energy operations around the globe Today Bechtel is one of the largest privately held corporations in the world enriched and empowered by a long history of government contracts and the privatization of public works made possible by an unprecedented revolving door between its San Francisco headquarters and Washington

TV (The Book) Alan Sepinwall, Matt Zoller Seitz, 2024-09-24 Is *The Wire* better than *Breaking Bad* Is *Cheers* better than *Seinfeld* What's the best high school show ever made Why did *Moonlighting* really fall apart Was the *Arrested Development* Netflix season brilliant or terrible For twenty years since they shared a TV column at Tony Soprano's hometown newspaper critics Alan Sepinwall and Matt Zoller Seitz have been debating these questions and many more but it all ultimately boils down to this What's the greatest TV show ever That debate reaches an epic conclusion in *TV THE BOOK* Sepinwall and Seitz have identified and ranked the 100 greatest scripted shows in American TV history Using a complex obsessively all encompassing scoring system they've created a Pantheon of top TV shows each accompanied by essays delving into what made these shows great From vintage classics like *The Twilight Zone* and *I Love Lucy* to modern masterpieces like *Mad Men* and *Friday Night Lights* from huge hits like *All in the Family* and *ER* to short lived favorites like *Firefly* and *Freaky and Geeks* *TV THE BOOK* will bring the triumphs of the small screen together in one amazing compendium Sepinwall and Seitz's argument has ended Now it's time for yours to begin

Spies Calder Walton, 2023-06-06 Foreign Policy Best Book of 2023 Foreign Affairs Best Book of 2023

The riveting The Economist secret story of the hundred year intelligence war between Russia and the West with lessons for our new superpower conflict with China Spies is the history of the secret war that Russia and the West have been waging for a century Espionage sabotage and subversion were the Kremlin s means to equalize the imbalance of resources between the East and West before during and after the Cold War There was nothing unprecedented about Russian meddling in the 2016 US presidential election It was simply business as usual new means used for old ends The Cold War started long before 1945 But the West fought back after World War II mounting its own shadow war using disinformation vast intelligence networks and new technologies against the Soviet Union Spies is a deeply researched and artfully crafted Fiona Hill deputy assistant to the US President story of the best and worst of mankind bravery and honor treachery and betrayal The narrative shifts across continents and decades from the freezing streets of St Petersburg in 1917 to the bloody beaches of Normandy from coups in faraway lands to present day Moscow where troll farms synthetic bots and weaponized cyber attacks being launched woefully unprepared West It is about the rise and fall of Eastern superpowers Russia s past and present and the global ascendance of China Mining hitherto secret archives in multiple languages Calder Walton shows that the Cold War started earlier than commonly assumed that it continued even after the Soviet Union s collapse in 1991 and that Britain and America s clandestine struggle with the Soviet government provided key lessons for countering China today This authoritative sweeping Fredrik Logevall Pulitzer Prize winning author of Embers of War history combined with practical takeaways for our current great power struggles make Spies a unique and essential addition to the history of the Cold War and the unrolling conflict between the United States and China that will dominate the 21st century *Turmoil and Triumph* George P.
