To The Limit An Air Cav Huey Pilot In Vietnam:

To the Limit Tom A. Johnson, 2006-06-30 Helicopter pilots in Vietnam kidded one another about being nothing but glorified bus drivers But these rotor heads saved thousands of American lives while performing what the Army classified as the most dangerous job it had to offer One in eighteen did not return home Tom A Johnson flew the UH 1 Iroquois better known as the Huey in the 229th Assault Helicopter Battalion of the First Air Cavalry Division From June 1967 through June 1968 he accumulated an astonishing 1 600 flying hours 1 150 combat and 450 noncombat His battalion was one of the most highly decorated units in the Vietnam War and as part of the famous First Air Cavalry Division helped redefine modern warfare With tremendous flying skill Johnson survived rescue missions and key battles that included those for Hue and Khe Sanh and operations in the A Shau and Song Re valleys while many of his comrades did not His heartfelt and riveting memoir will strike a chord with any soldier who ever flew in the ubiquitous Huey and any reader with an interest in how the Vietnam War was really fought

Heroes Mike Larson, 2008-09 Even today my thoughts of Vietnam are positive I have incredibly fond memories of spending one year in that theater with some incredible people My feelings about the Vietnam War mesh exactly with what Michael Norman wrote in his book *These Good Men Friendships Forged From War* even though Norman's heroes served in the U S Marine Corps and mine served in the First Air Cav In recalling his tour in Vietnam Norman wrote I did not pick these men They were delivered by fate and the U S Marine Corps But I know them in a way I know no other men I have never since given anyone such trust They were willing to guard something more precious than my life They would have carried my reputation the memory of me It was part of the bargain we all made the reason we were so willing to die for one another

overly protected teenager who gets drafted into the United States Army at the height of the Vietnam War The looming threat of deployment informs every aspect of his life from the most ludicrous experiences to the grimmest tests of endurance Initially determined to do his patriotic duty Parker gradually comes to the realization that he is just not cut out for a military career and wants nothing more than to serve his time and return to civilian life to pursue his dream of becoming an artist In telling this story he shows how Vietnam was the last war in the United States that instituted the draft how the draft affected those who served and how we as Americans think of war and our soldiers once they return from service Parker also shows how being an artist helped him to survive his time in the army Drafted is a compelling and unique graphic novel memoir perfect for fans of Joe Sacco and Derf Backderf and is sure to appeal to Parker s dedicated followers and new fans alike already proven by the response to the award winning short film Rick Parker I m Afraid [Air Force Magazine](#) ,2006-07

John E. Flanagan,2002-02 Here s about the book Twenty one years after leaving Vietnam for the first time the author attends a reunion of former pilots who flew helicopters in Vietnam Reuniting with his classmates and some of his fellow pilots he flew with in Vietnam brings back a rush of memories and stories of times past The following years reunions build on the first as more and more of the pilots he served with are reunited The reunions stir memories and deeds of times past are recounted in a steady stream of war stories He soon realizes that he doesn t want these stories these war stories lost and decides to write them down before he forgets the details As the stories unfold more memories come back and he records them too His intent was not to document the history of the US involvement in the Vietnam War nor be a definitive history of the famous B Troop 1st Squadron 9th US Cavalry Regiment His intent was to record his personal memory of the events some 30 plus years ago from his perspective He talks about growing up in Brooklyn living in his grandmother s house on 40th Street his gang of

friends from Saint Michael's Church and of the events that led to his decision to volunteer for the draft. Tracing the draft process he tells of narrowly avoiding being drafted in the Marine Corps. He continues to tell the story of his journey through the army's classification and assignment system that results with him being selected for helicopter pilot training. The life of a warrant officer candidate presented a number of challenges that needed to be overcome if his plan to beat the army system was to be realized. He tells of some of the more interesting incidents in his flight training and preparation for combat. Things changed after earning his wings and arriving in Vietnam. Somewhere along the line the reality of the situation presents itself and John volunteers for the famous reconnaissance squadron of the 1st Cavalry Division. The 1st of the 9th was known for its ferocity in combat and its high casualty rate especially among flight crews. History records that this single unit was responsible for a large percentage of the entire division's enemy kills. His description of some of the sights and sounds of life in B Troop will surely remind other veterans of their time in Vietnam. He will certainly stir the memories of others that served in the air cavalry and perhaps even others who were supported by them. The stories are real. The people are real. John Flanagan writes them as he would tell them to you in person. Sometimes funny, sometimes serious, sometimes rambling, sometimes clearly but always truthfully and as he remembers them. The result of these writings are *Born in Brooklyn*. Raised in the Cav. The Aviation Museum at Fort Rucker, Alabama, the 1st Cavalry Museum at Fort Hood, Texas, keeps this book in stock. A reviewer said, "I learned to better appreciate the Army helo pilot." January 30, 2004. Reviewer E. M. from San Diego, CA, USA. Well, it certainly is a long journey from the dreary streets of Brooklyn to the miserable and dangerous fields and skies of Viet Nam at war. Major Flanagan has travelled this route and shares his adventure with the reader. He is a real American hero as are all his brethren flying warrant officers. Yet he tells his story without bravado or arrogance. He is simply telling the story of his experience in Viet Nam as a young 19-year-old plucked from the streets of Brooklyn and injected into the chaos of war. He writes of his training as well as his wartime experiences. Often his enemy was the weather as much as the NVA on the ground. Major Flanagan writes in a simple, readable style without pretension; his memories are direct, straightforward, and sprinkled with a dash of Irish wit and humor. If one wants to know the life of an Army helo pilot on the front lines of the Viet Nam war, this is a book to read. Beyond the daily life of the helo pilot, we also learn *ACE: the Story of Lt. Col. Ace Cozzalio* Rex Gooch, 2024-10-27. ACE is the gripping tale of Ace Cozzalio, a bold and courageous U.S. Army helicopter pilot who flew with Lighthorse Air Cavalry during the Vietnam War. The stories in this book vividly portray Ace's heroic exploits as he battled the enemy in the Mekong Delta, highlighting the exceptional character of this dedicated soldier hero. As you delve into these remarkable untold stories, you will gain insight into the indomitable spirit of Ace Cozzalio and understand why his commanding presence often proved to be the decisive factor in turning the tide against the enemy. The ACE book is a high-speed, low-level flight through Ace Cozzalio's captivating life, highlighting his brave deeds, escapades, exploits, and misadventures during the Vietnam War. *Pucker Factor 10* James Joyce, 2016-08-24.
