

To Kill A Mockingbird: Study Guide

Chapter 1

See "Companion to Reading"

Chapter 2

1. How is Scout's school satirized? *Answers may vary.*
2. Why does Scout explain Walter Cunningham's situation to Miss Caroline? *While Scout thinks she is enlightening Mrs. Caroline with understanding she is expressing a superficial idea and passing judgment on Walter based on Maycomb's social structure.*

Chapter 3

3. Contrast Jem and Scout. *The major difference is in their treatment of Walter Cunningham. Scout takes revenge on Walter for the trouble his family's reputation caused her; however, Jem treats Walter with respect grown out of actual experience of the Cunningham family attributes. This is further seen in Scout openly criticizing Walter's eating habits which are, to her, odd.*
4. Contrast Burris Ewell with the other students. *Burris is contrasted by both physical descriptions and his family's background. Scout remarks he is the dirtiest person she has ever seen, and Mrs. Caroline's desire to protect the other kids implies they are clean.*
5. What is the important thematic connection in the advice Atticus gives Scout? *Atticus implores her to consider things from other people's point of view, showing compassion and empathy.*

Chapter 4

6. How do Jem and Scout's reactions to the pennies help characterize them? *While both are curious, both are immature... in different ways. Jem's immaturity is seen as he "deeply thinks" about the situation, though thinking in terms of superstitions.*
7. What characteristics of children are revealed through the Boo Radley game? *Kids are curious, imaginative, insensitive (unintentionally cruel), and often fearful of adult authority*

Chapter 5

8. What function does Miss Maudie Atkinson symbolize in the novel? *Maudie serves as exposure to "ladylike" behaviors and thoughts, seen in Scout's comments about her character, especially as Jem and Dill exclude her from their play. She also juxtaposes Stephanie Crawford, the neighborhood gossip.*

Chapter 6

9. What is significant about Jem's nocturnal return to the Radleys'? *It creates a high point of interest/suspense due to the threat of a prowler and the mysteriousness of his pants being mended and folded. It also demonstrates his respect for Atticus, though it might come across as fearful.*
10. What does the town decide about the disturbance at the Radleys'? *It must have been a Negro.*

Chapter 7

11. What bewildering incidents occur to Jem and Scout? *The kids find more trinket in the knot-hole, until it is cemented by Nathan Radley because it's dying.*
12. Why is it significant that Jem has been crying? *Jem's tears reveal that, unlike Scout, he assumes it was the kindness of Boo and he may have been reaching out due to loneliness, but that is no longer available.*

Gold,2016-05-03

Are children and adolescents being silenced and their growth stunted in the age of quick diagnoses and overmedication In The Silenced Child Dr Claudia Gold shows the tremendous power of listening in parent child and doctor patient relationships Through vivid stories perceptive insights and new research she shows the way children grow from these relationships and how being heard actually changes their brains She helps both parents and caregivers make the time and space for listening Praise for Keeping Your Child in Mind A very useful thoughtful book It lays out the best thinking of our time to help parents make decisions about nurturing their child s development T Berry Brazelton MD professor of Pediatrics Emeritus Harvard Medical School **Resources in Education** ,1986-02 *Multicultural Education* James A. Banks,Cherry A. McGee Banks,2019-11-12 As diversity continues to increase in the United States ethnic cultural social class and linguistic gaps are widening between teachers and their students The rapidly changing educational landscape presents unique challenges and opportunities for addressing diversity both creatively and constructively in schools Multicultural Education helps current and future educators fully understand sophisticated concepts of culture become more effective practitioners in diverse classrooms and view race class gender social class and exceptionality as intersectional concepts Now in its tenth edition this bestselling textbook assists educators to effectively respond to the ways race social class and gender interact to influence student behavior and learning Contributions from leading authorities in multicultural education discuss the effects of class and religion on education differences in educational opportunities for male female and LGBTQ students and issues surrounding non native English speakers students of color and students with disabilities Contemporary in relevance this timely volume promotes multicultural education as a process of school reform Practical advice helps teachers increase student academic achievement work effectively with parents improve classroom assessment and benefit from diversity

Resources in Education ,1986 Lawyers and the Rule of Law Andrew Boon,2022-10-20 This book examines lawyers contributions to creating and maintaining the rule of law one of the pillars of a liberal democracy It moves from the European Enlightenment to the modern day exploring the role of judges government lawyers and private practitioners in creating defining and being defined by the demands of modern society The book is divided into 4 parts representing the big themes

The first part considers lawyers contribution to the growth of constitutionalism the second the formulation of roles and identities and the third the formation of values The fourth part focuses on the challenges faced by lawyers and the rule of law in the past 50 years the neoliberal period and how they challenge both conceptions of lawyers and the rule of law Each part is illustrated by defining events from the execution of Charles I through the Nuremberg Trials to the insurrection by supporters of Donald Trump in January 2021 Although the focus is on England and Wales parallel developments in other jurisdictions Australia Canada New Zealand and the USA are considered This allows analysis of lawyers historical and contemporary engagement with the rule of law in jurisdictional systems based on the Common Law Each chapter is thematic but the passage through the book is broadly chronological
