I Found Mine Mohammed R. Zawad, 2017-05-11 One man's journey towards finding his passion. As most people who finally took the plunge can relate, sooner or later you have to stand on the ledge that separates danger and opportunity from security and stagnation. It then becomes a question of what direction to jump in. In *I Found Mine*, Mohammed Zawad shares with us the stories that made him jump. Perhaps the most striking thing about this book is Mohammed's talent for incorporating his life experiences and lessons into helping readers to understand his message. All the stories are personal and relatable regardless of the reader's background. What's noteworthy is how he gives you a glimpse of his personal life, the good, the bad and the ups and downs. His candour about his successes and failures makes the book a fabulous read. Mohammed Zawad possesses an amazing ability to inspire, encourage and motivate people to seek out and follow their dreams. *I Found Mine* is for everyone, whether it's someone who wishes to learn a new skill, wants to go back to school or is looking for an entirely new career but is not sure where to start.

Raising a Toast Pramit Pratim Ghosh, 2021-02-05 *Raising a Toast* is a compilation of 20 speeches that I had the good fortune of delivering in my journey as a Toastmaster. Most of these speeches have sprung from my personal anecdotes, some funny, some thought-provoking. Few speeches will tell you stories of past and present of people and places through my eyes. And then there are a couple of speeches that raise some questions for you and me to reflect upon. But one common link that binds them all is the stage of Toastmasters where they found life. Each of these speeches gave me an opportunity to pen down some burning message inside of me to share my story to any audience which was willing to listen, to connect with those who took back something from what I had to say. *Raising a Toast* is a humble attempt to carry these anecdotes, these stories, these questions from the conventional stage to the paperback stage. Written with the sole agenda of reaching out to more souls out there who are willing to listen. And with the hope that when they read this, they get inspired to share their set of stories with the world.
