Butch "The California Flash" Leal Bob McClurg, 2022-07-15 Check out the first ever biography on the popular drag racer Butch The California Flash Leal Born and raised in central California Larry Butch Leal was obsessed with cars from a very early age What began with field cars turned into hard work and new Chevrolets This took place when the golden era of drag racing was in its infancy and Leal joined with enthusiasm He performed well at the track with his early Chevys and had an impressive number of wins before he was out of high school His success brought him plenty of attention and collaboration with other big names in the sport In 1963 GM pulled out of the sport on an official basis As a result Butch at age 19 teamed up with Mickey Thompson and joined the Ford camp securing a ride with the factory team and its new Thunderbolts for 1964 After his success that season including winning the Super Stock S S class at the 1964 NHRA US Nationals in Indianapolis Chrysler came calling and Butch signed on to race the new altered wheelbase cars in match races for 1965 as the NHRA did not have a class for these new funny looking cars While Leal dabbled again with Ford and Chevrolet later his relationship with Chrysler lasted well into the following decades running both Funny Cars and Super Stockers Penned by talented automotive historian Bob McClurg who was there for it all and featuring full collaboration with the book's subject Butch The California Flash Leal covers the span of his fascinating career during arguably the most interesting era in drag racing history Butch was an 11 time NHRA champion and 4 time recipient of Car Craft Magazine's All Star Driver of the Year award in a career that spanned the 1960s through the 1990s It's all here the events great vintage photography and the stories from one of the best storytellers the NHRA has ever known Add this entertaining volume to your drag racing library today **The Flying Bandit** Robert Knuckle, Ed Arnold, 1996 When Janice Whiteman met her husband Robert at the airport she was stunned when he was tackled in front of her by plainclothes police and arrested for armed robbery Since the day they met Robert had been leading a double life husband and father at home spectacularly successful armed robber on the road In a spree lasting thirty three months in cities large and small from Vancouver to Halifax he committed fifty nine robberies sometimes two in one day for a combined take of over two million dollars This is the extraordinary true story of the most daring criminal in the nation's history Canada's Flying Bandit **Adult Catalog: Title** Los Angeles County Public Library, 1970 **Cars & Parts**, 1982 *1950s Television Advertising* Vincent Terrace, 2025-01-05 Winston tastes good like a cigarette should and You'll wonder where the yellow went when you brush your teeth with Pepsodent are only two of the many slogans associated with advertising on television in the 1950s There were celebrities like Marilyn Monroe Barbara Eden and Peter Lorre who performed in commercials there were shows built around a single product e.g. The Texaco Star Theater and The Colgate Comedy Hour there were numerous premiums offered to children e.g. The Sky King Detecto Microscope The Mickey Mouse Club Magazine and gimmicks used by sponsors to attract viewers to their shows e.g. Win a Wagon Train Pony and The Howdy Doody Smile Contest This is the first and only book of its kind it is a nostalgic trivia filled

history presented through the actual programs and commercials of the 1950s In addition to two extensively detailed sections which have never been released online or in any other book Sponsor and Program and Program and Sponsor rare television theme songs with their original sponsor tags products mentioned in the theme songs are also presented It all began on July 1 1941 when WNBT the NBC affiliate in New York City televised the first commercial a ten second spot for Bulova Watches
