WILL I SEE YOU TOMORROW? Colin Lederman,2021-08-05 My name now is Max Fine My parents named me Maxwell so for many years I was known as Maxwell Feinstein Whilst sitting on my balcony observing the sun slip away slowly below the horizon I ruminate about my past life and how much longer I have in this world I was born in South Africa to German Jewish parents after the family escaped from Germany in 1936 I am writing this book as my ultimate legacy I am dying from a severe case of congenital heart disease for which there is no cure Only a heart transplant can save me At my age I have my thoughts and memories Both are fully functional but may be somewhat fanciful The story is about my family and me I retell some events that happened or at least that I believe happened over several generations Naturally I was not present at every event so to that extent these are either hearsay or my interpretational memories I make no apology for spending time on my gap year before attending university since it was one of my most enjoyable times if not the best I was a na ve 17 year old seeing the world for the first time In those few months I became a man

Bigger Bombs for a Brighter Tomorrow John M. Curatola, 2016-03-17 Right after World War II the United States felt secure in its atomic monopoly With the American Pax Atomica in place the free world held an apparent strategic advantage over the Soviet bloc and saw itself as a bulwark against communist expansion But America's atomic superiority in the early postwar years was more fiction than fact From 1945 until 1950 the U S atomic arsenal was poorly coordinated equipped and funded The newly formed Atomic Energy Commission inherited from the Manhattan Engineer District a program suffering from poor organization failing infrastructure and internal conflict The military establishment and the Air Force's Strategic Air Command little knew what to do with this new weapon The Air Force and the AEC failed to coordinate their efforts for a possible atomic air offensive and war plans were ill conceived reflecting unrealistic expectations of Air Force capabilities and possible political outcomes This lack of preparedness serves as a case study in the tenuous nature of American civilian military relationships Instructors considering this book for use in a course may request an examination copy [here](#)
