Top Gear: Epic Failures Richard Porter,2014-05-22 Designing and making cars is an expensive thing to do So is racing them All told the car business spends billions every year and with such vast sums at stake you d think the people involved wouldn t give desk space to Captain Cockup Sadly you would be wrong Every department in every car firm and motorsport operation is capable of complete and abject failure and on a surprisingly regular basis Which is what this book is about You see Top Gear knows a thing or two about embarrassing mistakes as anyone who watched our India special will know The truth is for many years Top Gear has also regarded failure as funny Where other television programmes edit out the moment where the presenter falls over or slams their hand in a door Top Gear gleefully leaves it in So who better to take you on a gentle canter through 50 of the car world s biggest and most glorious failures That s right it s Top Gear Who else did you think If you want this sort of stuff from Countryfile you might be in for a wait [Top Gear Epic Failures \(kfa\)](#) Richard PORTER,2014-05-22 [The Top Gear Story - The 100% Unofficial Story of the Most Famous Car Show... columnist for the Daily Telegraph James May brings together another brilliant collection of his most controversial and humorous writing From tales of motoring adventures through India Russia and Iceland to classic articles on essential subjects such as driving songs and haunted car parks these gems from the number one car connoisseur will take readers on a motoring journey that will amuse and entertain in equal measure Mr Wilman's Motoring Adventure Andy Wilman,2025-11-06 Lift the bonnet on 20 years of magic and mayhem on Top Gear and The Grand Tour from the mysterious man behind the camera The perfect gift for fans of fast cars big laughs and full throttle TV adventures Top Gear turned gloomy Sunday nights into celebratory Friday nights It made household names of presenters Clarkson Hammond and May their unique chemistry and buddy movie antics proving irresistible to a vast global audience With these three at the helm Top Gear earned a place in the Guinness Book of Records as the most popular factual TV show on the planet Then a short while later it was all gone How did a thoroughly sensible little consumer advice programme on cars turn into a global phenomenon in the first place though How did it all go wrong And how did they rise from the ashes as The Grand Tour and go on to scale even greater heights One man has all the answers There from the beginning Top Gear and The Grand Tour co creator and Jeremy s oldest friend Andy Wilman opens the bonnet on over twenty years of motoring mayhem In Mr Wilman s Motoring Adventure the mysterious man in the shadows tells the inside story of your favourite TV shows for the first time Irreverent joyful and as laugh out loud funny as the shows themselves it s the best book about Top Gear and The Grand Tour in the world **Top Gear: Ambitious but Rubbish** ,2015-08-27 Ambitious but Rubbish reveals the off camera secrets behind some of Top Gear s most memorable creations From the challenge of turning a Reliant Robin into a rocket and the genesis of the Hammerhead i Eagle Thrust electric car to the complexities of building a caravan airship and the inspiration for destruction testing a Toyota Hilux this book is packed with the previously untold stories behind dozens of classic TV moments Top Gear has never shied away from trying to answer questions no one has even thought to ask Questions like Can you make a convertible people carrier Can you cross the Channel in a pick up and Can you turn a combine harvester into a snow plough Ambitious but Rubbish reveals how those insane ideas came about with remarkable tales of ingenious invention and idiotic engineering This book is essential reading for any Top Gear fan and a terrific insight into the creation of the world s biggest car show It s also a terrifying window into the minds of Jeremy Clarkson Richard Hammond and James May Don t say you weren t warned about that last one **And On That Bombshell** Richard Porter,2015-12-22 I was Top Gear s script editor for 13 years and all 22 series I basically used to check spelling and think of stupid gags about The Stig I also got to hang around with Jeremy Clarkson Richard Hammond and James May It didn t feel like something you should get paid for From the disastrous pilot show of 2002 to the sudden and unexpected ending in 2015 working on Top Gear was quite a rollercoaster ride We crossed continents we made space ships we bobbed across the world s busiest shipping lane in a pick up truck We also got chased by an angry mob repeatedly sparked fury in newspapers and almost killed one of our presenters

I realised that I had quite a few stories to tell from behind the scenes on the show I remembered whose daft idea it was to get a dog I recalled the willfully stupid way in which we decorated our horrible office I had a sudden flashback to the time a Bolivian drug lord threatened to kill us I decided I should write down some of these stories So I have I hope you like them And now a quote from James May Richard Porter has asked me to write a quote for his new book about the ancient history of Top Gear But this is a ridiculous request How can one write a quote Surely by definition a quote must be extracted from a greater body of writing for the purpose of illustrating or supporting a point in an unrelated work I cannot write a quote any more than I could film an out take Porter like Athens has lost his marbles James May **MR Wilman's Motoring Adventure: Top Gear, Grand Tour, Clarkson and Me** Andy Wilman,2026-06-04 [The Top Gear Years](#) Jeremy Clarkson,2013-05-23 We now know all about the world according to Clarkson In a series of bestselling books Jeremy has revealed it to be a puzzling frustrating place where all too often the lunatics seem to be running the asylum But in The Top Gear Years we get something rather different [Top Gear Series 17 - Episode 2](#) ,2015 Jeremy Clarkson Richard Hammond and James May are in Italy to take part in a series of tricky challenges and increasingly loud arguments as they attempt to find the world s best hot hatchback With Clarkson in the Citroen DS3 Racing Hammond championing the Fiat 500C Abarth and May making the case for the Renaultsport Clio Cup the trio attempt to navigate their way around baffling Italian towns and take part in a scavenger hunt before heading up to Monte Carlo where they re faced with a surprise test of their cars performance Also in this show James is out on the track in the new Aston Martin Virage the hardcore performance GT that slots between the DB9 and DBS whilst petrolhead comedian Ross Noble is the star in the Reasonably Priced Car
