A Decade of Darkness Corvis Nocturnum, 2016-12-02 Author E R Vernor best known as Corvis Nocturnum brings you the ten year anniversary expanded edition of his original expose The writer reflects on what has changed and stayed the same with even more insights interviews and photos never seen before The author brings you an unprecedented collection of Satanists vampires modern primitives dark pagans and Gothic artists all speaking to you in their own words These are people who have taken something most others find frightening or destructive and woven it into amazing acts of creativity and spiritual vision Corvis himself is a dark artist and visionary and so it is with the eye of a kindred spirit that he has sought these people out to share their stories with you **The Psychic Vampire Codex** Michelle A. Belanger, 2004-07-01 The

Psychic Vampire Codex is the first book to examine the phenomenon and experience of modern vampirism completely from the vampire s perspective A fellow psychic vampire writes in the foreword that Michelle Belanger s system introduced a breath of fresh air into the vampire subculture It freed us to look at ourselves in a new light and it also helped those outside our community to view us differently No longer were we parasites or predators we could use our inborn abilities to help people heal Psychic vampires are people who prey on the vital human life energies of others They are not believed to be undead They are mortal people whose need for energy metaphorically connects them to the life stealing predators of vampire myth In The Psychic Vampire Codex Michelle Belanger author and psychic vampire introduces readers to the fascinating system of energy work used by vampires themselves and provides the actual codex text widely used by the vampire community for instruction in feeding and other techniques Belanger also examines the ethics of vampirism and offers readers methods of protection from vampires The Psychic Vampire Codex explodes all preconceptions and myths about who and what psychic vampires really are and reveals a vital and profound spiritual tradition based on balance rebirth and an integral relationship with the spirit world **When Texas Prison Scams Religion** Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the

unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
