Foreword to the 2017 edition by Deborah Levy *A Shorter History of Tractors in Ukrainian with Handcuffs* Marina
Lewycka, 2013-01-24 Marina Lewycka returns to the characters from *A Short History of Tractors in Ukrainian* with a hilarious
erotic twist in this laugh out loud short story *A Shorter History of Tractors in Ukrainian with Handcuffs* Ever since she'd first
read Sherlock Holmes Laura Carter had dreamed of being a detective Books were both her escape and her guilty pleasure
which eased her through the boring days and enlivened the nights when her husband was too tired for love She devoured
everything from Proust to Harry Potter from James Joyce to EL James she adored detective stories but maybe her favourite
author was Marina Lewycka whose *A Short History of Tractors in Ukrainian* had strangely echoed a case she had once
worked on Marina Lewycka was born in Kiel Germany after the war grew up in England and lives in Sheffield Her first novel
A Short History of Tractors in Ukrainian was shortlisted for the Orange Prize longlisted for the Man Booker and won the
Bollinger Everyman Prize for Comic Fiction and the Waverton Good Read Award Her second novel *Two Caravans* was
shortlisted for the Orwell Prize *A Short History of Tractors in Ukrainian* *Two Caravans* *We Are All Made of Glue* and Marina's
fourth novel *Various Pets Alive and Dead* are all available in Penguin *The Anxious Triumph* Donald Sassoon, 2019-06-27 A
magnum opus an accessible and genuinely global history This is a book for today and tomorrow Financial Times Capitalist
enterprise has existed in some form since ancient times but the globalization and dominance of capitalism as a system began
in the 1860s when in different forms and supported by different political forces states all over the world developed their
modern political frameworks the unifications of Italy and Germany the establishment of a republic in France the elimination
of slavery in the American south the Meiji Restoration in Japan the emancipation of the serfs in Tsarist Russia This book
magnificently explores how after the upheavals of industrialisation a truly global capitalism followed For the first time in the
history of humanity there was a social system able to provide a high level of consumption for the majority of those who lived
within its bounds Today capitalism dominates the world With wide ranging scholarship Donald Sassoon analyses the impact
of capitalism on the histories of many different states and how it creates winners and losers by constantly innovating This
chronic instability he writes is the foundation of its advance not a fault in the system or an incidental by product And it is this

instability this constant churn which produces the anxious triumph of his title To control or alleviate such anxieties it was necessary to create a national community if necessary with colonial adventures to develop a welfare state to intervene in the market economy and to protect it from foreign competition Capitalists needed a state to discipline them to nurture them and to sacrifice a few to save the rest a state overseeing the war of all against all Vigorous argumentative surprising and constantly stimulating The Anxious Triumph gives a fresh perspective on all these questions and on its era It is a masterpiece by one of Britain s most engaging and wide ranging historians
