To Live By Yu Hua:

To Live Yu Hua, 2007-12-18 Originally banned in China but later named one of that nation's most influential books a searing novel that portrays one man's transformation from the spoiled son of a landlord to a kindhearted peasant. A work of astounding emotional power. Dai Sijie author of *Balzac and the Little Chinese Seamstress*. From the author of *Brothers and China in Ten Words* this celebrated contemporary classic of Chinese literature was also adapted for film by Zhang Yimou. After squandering his family's fortune in gambling dens and brothels the young deeply penitent Fugui settles down to do the honest work of a farmer. Forced by the Nationalist Army to leave behind his family he witnesses the horrors and privations of the Civil War only to return years later to face a string of hardships brought on by the ravages of the Cultural Revolution. Left with an ox as the companion of his final years Fugui stands as a model of gritty authenticity buoyed by his appreciation for life in this narrative of humbling power.

Ethics After Idealism Rey Chow, 1998-01-22 Recognizing the necessity for a critique of idealism constitutes for Chow an ethics in the postcolonial/postmodern age. In particular she uses ethics to designate the act of making decisions in this context: decisions of reading that may not immediately conform with prevalent social mores of idealizing our others but that nonetheless enables such others to emerge in their full complexities.

China in Ten Words Yu Hua, 2011-11-08 From one of China's most acclaimed writers his first work of nonfiction to appear in English a unique intimate look at the Chinese experience over the last several decades told through personal stories and astute analysis that sharply illuminate the country's meteoric economic and social transformation. Framed by ten phrases common in the Chinese vernacular: people leader reading writing Lu Xun one of the most influential Chinese writers of the twentieth century disparity revolution grassroots copycat and bamboozle *China in Ten Words* reveals as never before the world's most populous yet oft misunderstood nation. In *Disparity* for example Yu Hua illustrates the mind-boggling economic gaps that separate citizens of the country. In *Copycat* he depicts the escalating trend of piracy and imitation as a creative new form of revolutionary action. And in *Bamboozle* he describes the increasingly brazen practices of trickery fraud and chicanery that are he suggests becoming a way of life at every level of society. Characterized by Yu Hua's trademark wit insight and courage *China in Ten Words* is a refreshingly candid vision of the Chinese miracle and all its consequences from the singularly invaluable perspective of a writer living in China today.

Literature and Religion Ou Guang-an, David Jasper, 2022-07-28 How does one culture read another In Literature and Religion two scholars one from China and one from the West each read texts from the other s culture as a means of dialogue A key issue in such an enterprise is the nature of religion and what we understand by that term in a world in which ancient religious customs seem to be dying or under threat

Does a comparative study of religious literature offer a way towards mutual understanding or merely illustrate our differences Underpinned by their own friendship these two partners in conversation show what is possible

Ideology and Form in Yan Lianke's Fiction Haiyan Xie,2023-02-10 Xie analyzes three novels by the international award winning Chinese writer Yan Lianke and investigates how his signature mythorealist form produces textual meanings that subvert the totalizing reality prescribed by literary realism The term mythorealism which Yan coined to describe his own writing style refers to a set of literary devices that incorporate both Chinese and Western literary elements while remaining primarily grounded in Chinese folk culture and literary tradition In his use of mythorealism carrying a burden of social critique that cannot allow itself to become political Yan transcends the temporality and provinciality of immediate social events and transforms his potential socio political commentaries into more diversified concerns for humanity existential issues and spiritual crisis Xie identifies three modes of mythorealist narrative exemplified in Yan s three novels the minjian folk mode in Dream of Ding Village the allusive mode in Ballad Hymn Ode and the enigmatic mode in The Four Books By positioning itself against an ambiguous articulation of social determinants of historical events that would perhaps be more straightforward in a purely realist text each mode of mythorealism moves its narrative from the overt politicality of the subject matter to the existential riddle of negotiating an alternative reality A groundbreaking study of one of contemporary China s most important authors that will be of great value to scholars and students of Chinese literature

Globalization and Cultural Trends in China Kang Liu,2003-12-31 In this timely work Liu Kang argues that globalization in China is both a historical condition in which the country s gaige kaifang reform and opening up has unfolded and a set of values or ideologies by which it and the rest of the globe are judged Moreover globalization signals a significant ascendancy of culture Liu examines China s current ideological struggles in political discourse intellectual debate popular culture avant garde literature the news media and the internet With careful textual analysis and observation informed by critical theories and cultural studies he offers a forceful critique of the Chinese version of globalism that privileges economic development at the expense of social justice and equality

Critical Essays on William Faulkner Robert W. Hamblin, 2022-08-24 Critical Essays on William Faulkner compiles scholarship by noted Faulkner studies scholar Robert W Hamblin Ranging from 1980 to 2020 the twenty one essays present a variety of approaches to Faulkner's work While acknowledging Faulkner as the quintessential southern writer particularly in his treatment of race the essays examine his work in relation to American and even international contexts The volume includes discussions of Faulkner's techniques and the psychological underpinnings of both the origin and the form of his art explores how his writing is a means of saying no to death examines the intertextual linkages of his fiction with that of other writers like Shakespeare Twain Steinbeck Warren and Salinger treats Faulkner's use of myth and his fondness for the initiation motif and argues that Faulkner's film work in Hollywood is much better and of far greater value than most scholars

have acknowledged Taken as a whole Hamblin s essays suggest that Faulkner s overarching themes relate to time and consequent change The history of Faulkner s Yoknapatawpha stretches from the arrival of the white settlers on the Mississippi frontier in the early 1800s to the beginnings of the civil rights movement in the 1940s Caught in this world of continual change that produces a great degree of uncertainty and ambivalence the Faulkner character and reader must weigh the traditions of the past with the demands of the present and the future As Faulkner acknowledges this process of discovery and growth is a difficult and sometimes painful one yet as Hamblin attests to engage in that quest is to realize the very essence of what it means to be human
