and drew upon many experiences and places that she knew as a child to create her novel's setting. In the sleepy southern town of Maycomb, Alabama, Scout Finch and her brother Jem revel in the glory days of childhood, trading stories and superstitions with Dill Harris, the imaginative nephew of their neighbor. Dill is especially fascinated with the legends surrounding the mysterious Boo Radley, who stays in his house all day but, according to rumors, comes out at night to dine on squirrels and cats and peek in windows. Their summer days are spent adding to the Boo Radley legends or devising ways to make Boo come out. As Scout becomes increasingly uneasy about playing games that revolve around Boo Radley, she is guided by the wisdom of her father, Atticus, and Calpurnia, their cook. Scout is learning the ways and unwritten rules of southern society and how to get along in it. Atticus is a lawyer with an extremely difficult case on his hands: Tom Robinson, a black man, has been accused of raping a white girl. With deep-seated prejudice working against him, Atticus must prove his client's innocence. Scout and Jem watch while their otherwise civilized neighbors show subtle disapproval or outright distaste for Atticus's defense of a black man. While Atticus struggles to do the right thing, Scout struggles with her Aunt Alexandra, who has come to live with them. Aunt Alexandra is set on making Scout into a refined southern lady by instilling in her the rules of social decorum. Atticus is more concerned that his children simply do what is right. Meanwhile, the trial of Tom Robinson reaches its conclusion, and tragedy befalls. All the while, Atticus is challenging the very structure of southern society and the prejudices around him.
