The Virginia Wounded Warrior Program Virginia Wounded Warrior Program, 2010 **Letters to the Wounded Warrior** Steve Porter, Diane Porter, 2014-11-11 Even good soldiers might take bullets and collapse in defeat or disgrace In the same way millions of men and women in our world have been injured in spiritual warfare and are now lying wounded on the field But God is raising up medics healers who are equipped with compassion and grace Wounded warriors need grace driven stretcher bearers healers and cheerleaders who believe in restoration and healing and are committed to helping them rise to fight again It's our desire for this book to do just that The enemy who entraps the vulnerable can be overthrown but we must also have a strategy to rescue those taken hostage or left wounded on the battlefield God has a loving message of healing and restoration for His church I will never give up on you no matter how desperate your need I am here for you with a plan to raise you up The Wounded Warrior Handbook Janelle B. Moore, Cheryl Lawhorne-Scott, Don Philpott, 2012 Offers straightforward answers to questions commonly asked by wounded U S military veterans and their family members Brings together information on medical treatments as well as financial legal and tax matters **To the Wounded Warrior** Elder D H Bonner, 2018-12-09 If you've ever been blindsided by having your mistakes weaknesses or failings aired across the pulpit or been called into the principal's office to be dressed down because you said No to a request made by someone in leadership If you've ever had leadership enlist your assistance for ministry purposes but instead use you to satisfy their personal agenda physical financial or emotional If you've ever had ministry opportunities presented to you by others outside your church

home and were told that you could not accept them because you're needed in the house. If you've ever had so much fear that you wouldn't dare visit another church because this was on the same level as committing sin to be repeatedly told that if you ever left that ministry you've backslidden so you stay. I can testify to you that you can be healed AND made whole. But you'll have to take responsibility for making the journey from victim to victor. No longer walking wounded but truly walking in the freedom of His Spirit and abundant life. Like Jesus said to the man at the Pool of Bethesda, John 5:6-8: "Do you want to be made whole? Rise, take up your bed and walk." Virginia Wounded Warrior Program, 2008

Wounded Warrior, Wounded Wife Barbara K. McNally, 2016-10-15. Imagine sending your spouse to war with a heavy heart then receiving a life-shattering phone call telling you he's been badly injured. What do you do? Wounded Warrior Wounded Wife reveals the innermost thoughts of women who faced these challenges and prevailed to not just survive but thrive.

Standing Together Carlos R. Evans, Rosemarie Evans, Cecil Murphy, 2019-06-25. A true story of hope and courage in the face of astonishing challenges. During his fourth deployment, US Marine Corps Sergeant Carlos Evans stepped on an IED and the loss of both legs and his left hand was just the beginning of the struggle for his life. For the next two years, he and his wife Rosemarie went through the rehabilitation process together. As a nurse and mother of two young children, Rosemarie was used to caring for people, but the task of taking care of her triple amputee husband brought new challenges every day. In addition to his limb loss, Carlos faced PTSD and developed an addiction to painkillers. He was sure Rosemarie's life would be better without him and that it might have been better if he hadn't survived at all. But unlike the majority of marriages put under similar strain, Carlos and Rosemarie stayed together. With the help of family, friends, and most importantly, a strong faith, they've built a solid marriage and discovered a ministry they never expected. By the hand of God, their story, which began in devastation, has turned into one that draws in and lifts up more people than either of them would ever have dreamed. Not only will disabled veterans and their loved ones find help here, Carlos and Rosemarie's captivating journey also speaks to those who long for stronger marriages, care for loved ones with disabilities, or are facing a new normal in their own lives, small or large. It is a powerful resource for leaning on God in the midst of life's great difficulties and for finding ways that through faith, profound loss can bring incredible blessing.

Wounded Warrior, Wounded Home Marshelle Carter, Kelly K. Orr, ABPP, 2013-03-01. For every wounded warrior, there is a wounded home, an immediate and extended family, and community impacted by their loved one's war experiences. Every day, service members are returning from combat deployments to their families. And every day, war comes home with them. When a combat veteran struggles with post-traumatic stress disorder (PTSD) and/or traumatic brain injury (TBI), every member of the family experiences the effects. Spouses, parents, and children must undergo changes on the home front, a process that resembles the phases of grief. Confusion, hurt, anger, guilt, fatigue, and fear lie behind their brave smiles and squared shoulders. Wounded Warrior Wounded

Home gives hurting families a look inside the minds and hearts of wounded warriors and guides them in developing their own personal plan for physical emotional and spiritual wholeness in the wake of war The authors one the wife of a career US Navy SEAL and the other a clinical psychologist and Vietnam veteran speak from their own experiences of living with PTSD and TBI They also share insights from dozens of families and careful research offering readers a hope filled way forward

The Wounded Warrior Virginia Egbujor,2015-12-19 The 12 year old was conscripted to fight a losing war between Nigeria and the new state of Biafra He was taken alongside his uncle on their way to harvest fruits in the rural parts of the Igbo heartlands much against their will It was determined as a desperate attempt of the nearly vanquished army in the uneven sided war of genocide waged against the much hated ethnic group At that point in time men and boys of almost any age were taken to combat to stave the impending defeat by the well trained and equipped assailants who used all at their disposal including hunger starvation total malnutrition and abject poverty to achieve their end After more than a year in the ill prepared role of a soldier without a gun the child soldier was picked unconscious from the rubble of a bombed out shelter at a college compound that served as a make shift army barrack He was bleeding profusely and his left leg was shattered and he was unresponsive at the scene His uncle who had tried to protect and keep him alive was also severely injured However both recovered though with visible external and internal wounds They shared the same hospital for wounded soldiers when the war ended with the routing of the ill equipped army that was fighting only for survival with no meaningful arms ammunition or military organisation The intervention of the international Red Cross and the religious charities protected and sustained the wounded service men and all the ethnic population who symbolically considered all as wounded too The end of the war saw the then 13 year old back at his secondary school As his physical emotional and psychological being was put together he continued his studies even to the highest level of academic and professional achievement The novel ends with the former child soldier receiving his accreditation and taking his Hippocratic Oath to practice medicine to care and save not kill
