Lucky, Lucky Me Jake Jones, 2015-11-19 In this book Jake talks about his more than eighty years of life experiences He takes the reader from Americas great economy depression of the 1930s through an up close and personal view of three American wars to a life of relative abundance in this century His twenty eight years of flying in the air force took him to beautiful places like Stavanger Norway cold places like Thule AFB Greenland hot places like Sattahip Thailand and dry places like the San Joaquin Valley in California He describes the details of losing fellow crew members in four different plane crashes and the personal hardship on their families His most memorable events of his military career were in the 1960s when on three occasions he was involved in the work and decision making of President John F Kennedy He vividly remembers seeing and being close to President Kennedy just four weeks before he was assassinated Hardware ,1901
