Leontyne Price Individual entries on over 400 of the world's most renowned and accomplished living performers composers conductors and band leaders in musical genres from opera to hip hop Also includes an in depth Index covering musicians of all eras so that readers can learn which artists alive or dead influenced the work of today's most important figures in the music industry *The 100 Greatest Bands of All Time* David V. Moskowitz,2015-11-10 This one of a kind reference investigates the music and the musicians that set the popular trends of the last half century in America Many rock fans have at one time or another ranked their favorite artists in order of talent charisma and musical influence on the world as they see it In this same spirit author and music historian David V Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years Since the chosen bands are based on the author's personal taste this two volume set provokes discussion of which performers are included and why offering insights into the surprising influences behind them From the Everly Brothers to the Ramones to Public Enemy the work covers a wide variety of styles and genres clearly illustrating the connections between them Entries focus on the group's history touring membership major releases selected discography bibliography and influence Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry **Remember Miranda** Rowena Akinyemi,1996 Oxford Bookworms offer students at all levels the opportunity to extend their reading and appreciation of English There are six stages taking students from elementary to advanced level At the lower stages many of the texts have been specially written for the series to provide elementary and lower intermediate students with an introduction to real reading in English At the higher stages most of the books have been adapted from works originally published for native speakers *New York Magazine* ,1989-11-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **CMJ New Music Monthly** ,2004 CMJ New Music Monthly the first consumer magazine to include a bound in CD sampler is the leading publication for the emerging music enthusiast NMM is a monthly magazine with interviews reviews and special features Each magazine comes with a CD of 15-24 songs by well established bands unsigned bands and everything in between It is published by CMJ Network Inc It's Too Late to Die Young Now Andrew Mueller,2013-08-01 It's Too Late to Die Young Now answers the question what became of the rock writer the day the music died There is no field of journalism more mythologised or more derided than rock journalism with good reason according to Andrew Mueller And he'd know Starting out writing for the Sydney music street press in his teens by his early twenties Mueller was working for the legendary UK music weekly Melody Maker earning a living by listening to records going to gigs hanging out in seedy pubs and travelling the world with his favourite rock groups In barely two years he went

from a childhood bedroom with a poster of Robert Smith to The Cure's tour bus. Though it didn't seem like it at the time, the years Mueller was living the dream, the late eighties to the mid nineties, were actually the last hurrah for the music scene as we knew it. The era of flourishing live pub venues and record stores and rock journalists as cultural arbiters and agitators is now long gone. Featuring cameo appearances from luminaries of the Seattle grunge boom and the Britpop response to it and encounters with the likes of U2, The Cure, Pearl Jam, The Fall and Elvis Costello, *It's Too Late to Die Young* is an Almost Famous for Generation X and a hilarious and heartfelt eulogy to a life that seems even less probable now than it did at the time.

All I Want Is Loving You Steve Bergsman, 2023-10-30 In *All I Want Is Loving You* Popular Female Singers of the 1950s author Steve Bergsman focuses on the white female artists of the 1950s, a time that predated the chart-topping girl groups of the early 1960s. These popular performers, many of whom graduated out of the big bands of the 1940s, impacted popular music in a huge way. As the last bastion of traditional pop and the last sirens of swing, they undeniably shined in the spotlight. Yet these singers' fame dimmed relatively quickly with the advent of rock n' roll. A fortunate few, like Doris Day, Patti Page, Peggy Lee, and Debbie Reynolds, experienced some of their biggest hits in the late 1950s, and Eydie Gormé broke out in the 1960s. The luckiest, including Dinah Shore and Rosemary Clooney, ventured to television with varying degrees of success. Others would become major attractions at nightclubs in Las Vegas or, like Teresa Brewer, shift into the jazz world. Though the moment did not last, these performers were best-selling singers, darlings of the disk jockeys, and the frenetic heartbeat of fan clubs during their heyday. In a companion volume, Bergsman has written the history of African American women singers of the same era. These Black musicians transitioned more easily as a new form of music, rock n' roll, skyrocketed in popularity. In both books, Bergsman reintroduces readers to these talented singers, offering a thorough look at their work and turning up the volume on their legacy.

All Music Guide Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2001-11 Arranged in sixteen musical categories, provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre.
