Watching Porn Lynsey G,2017-06-06 Lynsey G is an intrepid explorer boldly going where few reporters have gone with such a critical eye deep inside the real world of commercial sex Tina Horn host of the Why Are People Into That podcast Lynsey G never imagined that she would ever work in porn but at twenty four years old with a degree in English literature and an empty bank account she found herself reviewing the film East Coast ASSault for an adult magazine in New York City One interview later and it was official she was a porn journalist The job was supposed to be temporary just a paycheck until she could spark her legitimate writing career but she loved it and spent nearly a decade describing the nuances of money shots and the effectiveness of sex toys As both a porn consumer and a porn critic she was not quite an insider not quite an outsider but came to know the industry intimately She found it so fascinating that she co founded WHACK Magazine Finally she had a platform to voice her thoughts and observations of the adult film world as well as educate the rest of us about what really goes on behind the scenes Eventually Lynsey was thrust back into the real world but not before realizing that one of the most diverse and nebulous and profitable industries on the planet isn t so quite as different from the rest of the world as she thought Tantalizing eye opening and witty Watching Porn is a provocative book about an average girl s foray into the porn industry and the people who make it what it is both in front of and behind the camera Marvelous The New York Times Book Review
