Zechariah's Hope Paperback David C Coldwell, 2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool *NLT Life Application Study Bible, Third Edition (Genuine Leather, Black, Red Letter)* Tyndale, 2021-05-04 Winner of the 2020 Christian Book Award for Bible of the Year Trusted Treasured by Millions of Readers over 30 years the Life Application Study Bible Is Today's #1 Selling Study Bible Now it has been thoroughly updated and expanded offering even more relevant insights for understanding and applying God's Word to everyday life in today's world Discover How You Can Apply the Bible to Your Life Today With a fresh two color interior design and meaningfully updated study notes and features this Bible will help you understand God's Word better than ever It answers the real life questions that you may have and provides you practical yet powerful ways to apply the Bible to your life every day Study the stories and teachings of the Bible with verse by verse commentary Gain wisdom from people in the Bible by exploring their accomplishments and learning from their mistakes Survey the big picture of each book through overviews vital statistics outlines and timelines and grasp difficult concepts using in text maps charts and diagrams all to help you do life God's way every day Features Enhanced updated and with new content added throughout Now more than 10 000 Life Application notes and features Over 100 Life Application profiles of key Bible people Introductions and overviews for each book of the Bible More than 500 maps charts placed for quick reference Dictionary concordance Extensive side column cross reference system to facilitate deeper study Life Application index to notes charts maps and profiles Refreshed design with a second color for visual clarity 16 pages of full color maps Quality Smyth sewn binding durable made for frequent use and lays flat when open Presentation page Single column format Christian Worker's Resource a special supplement to enhance the reader's ministry effectiveness Full text of the Holy Bible New Living Translation NLT combining the latest biblical scholarship with clear natural English The words of Jesus are in red letter *NLT Life Application Study Bible, Third Edition (Leatherlike, Purple, Indexed, Red Letter)* Tyndale, 2021-05-04 Winner of the 2020 Christian Book Award for Bible of the Year Trusted Treasured by Millions of Readers over 30 years the Life Application Study Bible Is Today's #1 Selling Study Bible Now it has been thoroughly updated and expanded offering even more relevant insights for understanding and applying God's Word to everyday life in today's world Discover How You Can
