Toilet Tales Hilarious Embarrassing True Stories Of Bathroom Humor:

Toilet Tales Ryan Jacobson, Chantel Wiskur, 2014-10-21 People poop in their pants It happens No biggie right Wrong Some bathroom accidents occur at the worst possible moments on a first date at the start of a new job while stuck in traffic and their stories ascend to the level of Toilet Tales If you enjoy bathroom humor this funny book collects 28 of the most humiliating true accounts that anyone was ever brave enough to confess Toilet Tales makes a hilarious conversation starter and a perfect bathroom read But be warned These short funny stories are gross *Dear Valued Customer: You Are a Loser* Rick Broadhead, 2011-05-13 To err is human To really screw things up takes modern technology To enjoy reading about the misfortunes of others at the hands of technology all it takes is this book In addition to being one of the country's leading technology experts he's co-authored more than 30 books Rick Broadhead has had a life-long predilection for stories of the strange but true genre In *Dear Valued Customer You are a Loser* he combines his two abiding passions to present an exhaustive fascinating and hysterical collection of technologically enabled blunders bloopers and mishaps Have you heard the story about the bank in Chicago whose computer made overnight multi millionaires out of hundreds of its account holders How about the man in California who was informed that he owed 39 trillion dollars in overdue library fines Or the woman in New York state who claimed she was seeing the names of dead people on her caller ID box The Most F words in a Disney movie The Most Embarrassing Open Mike Gaffe by a Politician The Strangest Discovery by an Airport Metal Detector a woman discovered she had a surgical retractor in her stomach these and more than one hundred other bizarre stories will definitely keep readers uproariously enthralled *The Family* Kitty Kelley, 2005-05-17 From the First Lady of unauthorized tell all biography this is the first real inside look at the most powerful and secretive family in the world From Senator Prescott Bush's alcoholism to his son George Herbert Walker Bush's infidelities to George Walker Bush's religious conversion shady financial deals and military manipulations Kitty Kelley captures the portrait of a family that has whitewashed its own story almost out of existence *Poop Tales* Jeffrey Scott, Jeffery James, 2009 Many people say You can't judge a book by its cover That saying definitely doesn't apply in this case because the title and picture say it all In this book the vulnerability of us all is humorously exposed as we typically find ourselves trying to hide the human condition which has been passed down throughout mankind If you breathe then you eat if you eat then you poop No one is exempt from this natural act of waste disposal However most people will sit in misery rather than admit the need to go Whether you are rich or poor man or woman you know you have been stuck in some kind of compromising situation Maybe you have experienced the helplessness of finishing your business only to discover an empty toilet paper cylinder at your side as you contemplate your options before heading back in to the office Possibly it was the embarrassment of trying to expel a little gas to relieve an uncomfortable pressure only to find a science experiment gone wrong in your drawers when the gas changed to a liquid Or perhaps the awkwardness of a first date has been multiplied by a thousand as you begin to feel the grumbles in your stomach set in after

dinner Each hilarious tale tells of the experiences of the authors from many different stages in their lives They share experiences ranging from their own childhood through the college years into young adulthood and finally reach full circle with funny tales about their own children These stories have been written with every intention of making you smile if you must be stuck on the throne for any length of time Can you honestly think of a better topic for the most notorious and infamous reading room in history
