[The Documented Child](#) Maya Socolovsky, 2025-02-04 Immigration is at once a personal immediate and urgent issue that plays a central role in the United States perception of itself In *The Documented Child* scholar Maya Socolovsky demonstrates how the portrayal of Latinx children has shifted over the first two decades of the twenty first century in literary texts aimed at children and young adults and looks at how these shifts map onto broader changes in immigration policy and discourse Through a critical inquiry into picture books and middle grade and young adult literature Socolovsky argues that the literary documentations of and for U S Latinx children have shifted over the decades from an emphasis on hybrid transnationalism to that of a more American oriented self Socolovsky delves into texts written from 1997 to 2020 a period marked by tremendous changes in U S immigration policies amplified discourses around nationhood and an increasingly militarized border The author shows how children's and young adult books have shifted their depictions of the border personal and national identity and sovereignty For students scholars and educators of Latinx studies and children's literature this work shows how the creators of children's literature reflect new strategies for representing the undocumented Latinx child protagonist While earlier books document the child as a transnational sometimes global subject later books document her as both a transnational and U S national subject *The Documented Child* explores this change as a necessary survival strategy reflecting current awareness that cultural hybridity and transnational identity are not sufficient

stand ins for the stability and security of legal personhood *The World of Work Through Children's Literature* Carol M. Butzow, John W. Butzow, 2002-05-20 This teaching resource offers great lesson ideas and activities based on quality children's literature. All titles center around the theme of work giving children an insight into today's working environment and the skills that are needed to succeed. Each chapter assists the teacher in planning exciting classroom activities and projects. Through literature important concepts and role models are presented that will help children think about teamwork, cooperative learning and economic issues.

Roots and Wings, Revised Edition Stacey York, 2003-06-01 *Roots and Wings* will open doors to beginners in cultural diversity education and will enrich the more experienced readers. It is a grand tool for assisting early childhood educators to address the many faceted and complex issues of cultural diversity and racial prejudice. I recommend this book to any teacher, caregiver or parent who wants to begin learning what it means to foster young children's respect for themselves and others.

Louise Derman Sparks, author *AntiBias Curriculum*. More than a decade ago *Roots and Wings* was published as the first practical resource for early childhood teachers on the then new topic of multicultural education. This invaluable guide is now completely updated to respond to present day anti bias issues in educating young children. *Roots and Wings* provides a thorough, clear and practical introduction to working with diverse children and families in early childhood settings. With more than 100 new and revised activities, practical examples and staff training recommendations, the revised edition includes new chapters on bilingual education, culturally responsive teaching and children and prejudice. Seamlessly blending theory and practice, *Roots and Wings* is an ideal resource for preschool teachers, early childhood programs at colleges and universities and training workshops. Stacey York is an instructor in the Child Development Department at Minneapolis Community and Technical College, Minneapolis, Minnesota. She conducts multicultural workshops around the country and is also the author of *Big As Life: The Everyday Inclusive Curriculum*.

Latina and Latino Voices in Literature Frances A. Day, 2003-05-30 This revised edition of an award winning resource celebrates the lives and works of 35 Latina and Latino authors who write for today's young readers. Expanded to include 12 additional authors, updated information on the original 23 authors profiled and 135 new titles, this comprehensive reference tool helps teachers, librarians and parents stay current on one of the most dynamic areas of contemporary literature. Both established and emerging voices are profiled. Personal quotes and photographs introduce each biographical essay presenting information gathered through interviews, personal communications and research. A complete list of all books and works written by the author is included along with publication information. Annotations are provided for most of the titles along with information on major themes, awards won and recommended age levels. *Evaluating Books for Bias* provides helpful guidelines for examining and selecting books from a pluralistic perspective. Appendices offer further helpful information about the field including special awards honoring books by Latinas and Latinos, a calendar of holidays and special days celebrated by the Latino community and listings of related resources and organizations. The author has also compiled ideas for classroom

activities and ways for librarians to extend the literary experience A title index and extensive topic index including themes curricular areas and genres help in planning story sessions and study units This is a multipurpose resource for anyone who wants to help young readers connect with contemporary literature in a meaningful way **Library Developments** ,1995
