Subjugation and Resistance of Black Women in the Novels of Toni Morrison and Maryse Conde Adriana Zühlke, 2007
Thesis M A from the year 2005 in the subject American Studies Literature grade 2 3 Ernst Moritz Arndt University of Greifswald 30 entries in the bibliography language English abstract The paper is concerned with the depiction of black women's subjugation and resistance in fiction It examines the quality of black women's suffering through racism and sexism especially within the system of slavery in America from the 17th to the 19th century Moreover the paper contrasts black women's status in and after slavery This is done on the one hand in order to illustrate and underline slavery's inhuman conditions black women suffered from and on the other hand to show the continuation of racism and sexism after slavery It will be revealed that the assumed changes of conditions for black women nowadays are rather superficial and that discrimination and inequality compared to men and white people have been persisting The study is based on the novels *Beloved* and *Sula* by Toni Morrison and on Maryse Condé's novel *I, Tituba Black Witch of Salem* These three novels are selected as basis for the analysis because they depict black people's oppression in several forms intensities and times and focus especially on women's particular situation It will be discussed how Blacks were capable at all to endure and survive the physical and mental tortures of captivity in slavery or of discrimination and inequality after slavery Connected with this question the role of the African culture is debated Here attention is turned to the authors' African roots and the question how much these roots inspired the elements of the actions and in what respect African tradition and beliefs are interwoven in the books Being further backing aspects for the novels women's human interpersonal relationships and collectivity are examined connected with a consideration of the novels' investigation and analysis of human nature psyche and emotions Here the analysis focuses on the quest
