Tonic Sol Fa For Christian Songs:

Music and Theology in Nineteenth-Century Britain Martin Clarke, 2016-04-22 The interrelationship of music and theology is a burgeoning area of scholarship in which conceptual issues have been explored by musicologists and theologians including Jeremy Begbie Quentin Faulkner and Jon Michael Spencer Their important work has opened up opportunities for focussed critical studies of the ways in which music and theology can be seen to interact in specific repertoires genres and institutions as well as the work of particular composers religious leaders and scholars This collection of essays explores such areas in relation to the religious musical and social history of nineteenth century Britain The book does not simply present a history of sacred music of the period but examines the role of music in the diverse religious life of a century that encompassed the Oxford Movement Catholic Emancipation religious revivals involving many different denominations the production of several landmark hymnals and greater legal recognition for religions other than Christianity The book therefore provides a valuable guide to the music of this complex historical period *Christian Companion* ,1904 *The Christian messenger* ,1889 **Musical Times and Singing Class Circular** ,1898 **Publishers' circular and booksellers' record** ,1899 *The Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1899

Scripture and Song in Nineteenth-Century Britain James Grande, Brian H. Murray, 2023-11-16 This volume brings together new approaches to music history to reveal the interdependence of music and religion in nineteenth century culture As composers and performers drew inspiration from the Bible and new historical sciences called into question the historicity of Scripture controversies raged over the performance publication and censorship of old and new musical forms From oratorio to opera from parlour song to pantomime and from hymn to broadside nineteenth century Britons continually encountered elements of the biblical past in song Both elite and popular music came to play a significant role in the formation regulation and contestation of religious and cultural identity and were used to address questions of class nation and race leading to the beginnings of ethnomusicology This richly interdisciplinary volume brings together musicologists historians literary and art historians and theologians to reveal points of intersection between music religion and cultural history **Catalogue of (printed) music. Music. Accessions, pt.[1]-94** British museum dept. of pr. books, 1884
