Du Chaillu, 2025-04-24 In The World of the Great Forest Paul B Du Chaillu invites readers into a vivid exploration of the lush uncharted territories of the rainforest marrying meticulous observation with an adventurous spirit Written in the late 19th century the book is a rich tapestry of natural history ethnography and personal narrative blending scientific inquiry with compelling storytelling Du Chaillu's narrative style is characterized by its vibrant descriptions and an authenticity that transports readers deep into the heart of the forest while also contextualizing the land's ecological significance within the broader landscape of Victorian exploration and colonial curiosity Paul B Du Chaillu a French American explorer and writer gained considerable acclaim for his earlier works documenting his travels in Africa His firsthand experiences with indigenous cultures and the natural world motivated him to write this book as he sought to bridge the gap between the excitement of exploration and the critical awareness of environmental conservation His unique vantage point as one of the first Westerners to extensively document the rainforest enhances the credibility and depth of his observations providing nuanced perspectives on both people and place The World of the Great Forest is a captivating synthesis of adventure and ecological insight making it an essential read for those interested in the intersection of exploration and environmentalism Readers will find in Du Chaillu's work not only an exhilarating narrative but also a profound commentary on the importance of preserving the world's natural wonders urging future generations to appreciate and protect these invaluable ecosystems**

Pannenburg, 2008 Footballers Essomba and Ashu team manager Kalla and spiritual adviser Z are the key characters in this anthropological study of football in Cameroon which is based on research carried out in 2003 It might seem that a well organized club with professional executives a team of talented players and an experienced coach would be sufficient to win a match However a successful team also requires a powerful African big man of specific ethnic affiliation a considerable budget for motivation bribery and the right kind of spiritual assistance magic But even then internal struggles within the club and team caused by corrupt executives coach s players and godfathers witchcraft and sorcery and or other factors such as spectator violence may mean that the team still loses The book consist of seven chapters that correspond to the days of the week During this week Olympique de Buea is preparing for a match on Sunday Each chapter is devoted to one theme Monday is about the different football leagues in Cameroon Tuesday deals with expenditures club sponsorship and the role of the African big man Wednesday discusses tribalism in the football leagues and the teams Thursday explains aspects of bribery nepotism and corruption Friday elaborates on the spiritual forces in football particularly witchcraft and sorcery within the clubs Saturday focuses on match preparation and the role of spiritual advisers and Sunday discusses a match between Olympique de Buea and Bamboutos de Mbouda and considers the role of ancestors supporters and referees during football matches ASC Leiden abstract
