of Here in 2015 Dyer narrates in uncompromising detail how a generation of talented English footballers taken out of working class childhoods and presented with a world of glitz glamour wealth and temptation failed to cope with the riches that were presented to them and often fell apart Old Too Soon Smart Too Late is about a moment in time a social and historical record of English football at the start of its gold rush For Dyer the end of the book brings a measure of personal redemption and peace but for the English game there is only a lingering sense of waste and regret for an opportunity lost
