The Journey Of The Book 2 Jeffery Long, 2021-09-28 ABOUT THE BOOK This is a book on a journey of a book how the book survived a war in the pocket of a soldier who read the book for comfort Then the soldier passed the book to the doctor who saved the soldier's life The doctor read a chapter of the book every time before going into surgery looking for the wisdom and a clear vision to save a life The doctor passed the book down to his nurse who read the chapter looking for hope and guidance for the family members who went into surgery The nurse passed the book to a little girl whose mom was in an accident and had to have an energy surgery to save her life The little girl learned to read the book with the help of her grandfather who explained each chapter and the story behind the meaning of each chapter He explained the book is written about a place and time that someday she could visit this location As the girl grew to be a lady she did go to the places in the book and witness first hand of the places each event took place that is in the book The lady was so moved that she told everyone she knew about the book and how each chapter or story gave her hope She explained the book to more and more people and as time went on she started a book club so her friends could get together and study the book At first they were getting together once a month but each of her friends brought a friend with them to the study group as the crowd grew they started meeting once a week on Sunday morning The group started sharing how the book had changed their life and their kid's life As of today the book has helped millions of people and has been in so many locations I can't keep track of it any longer
