Memoirs of Forgiveness: H.E.A.L.E.D. By G.R.A.C.E. Ethel L Goodrich, 2025-08-06 Your pain cost you an unforgettable moment in time But the resulting testimony is salvaging a lifetime for many Hart Ramsey Scripture Matthew 5:43-44 You have heard that it was said Love your neighbor and hate your enemy 44 But I tell you love your enemies and pray for those who persecute you So many scriptures have taken on new meanings to me God has personally given me a deeper understanding of Who He is and the understanding of my relationship with Him No two people have the same personal relationship with God Each relationship is unique to that individual Only God could have caused me to pray and intercede on behalf of those who took my child's life especially when I was believing and depending on God to heal and make my family whole on this side of the living Only God could give me a heart of compassion and empathy for the predators and the victim He has allowed me to walk in both shoes The enemy has used people to cheer me on openly and hate on me behind closed doors and that is okay with me I do not take it personal and I get it Until I really took the time to get to God and myself on a much deeper level I was just going through the motions But when my daughter died I started putting action behind the words I was speaking the words I love you didn't mean anything until God showed me what Love was and what it should look and feel like then I had a greater appreciation and understanding of love I didn't think all the grief that I had been carrying around on the inside had given birth to this inner child that was full of rage and dying the child within was releasing toxins poisons into my blood and it was killing me slowing slowly through the outward outburst of rage that occasionally showed up at the most awkward time it was slowly killing me through the hateful and venomous words that were in my heart and rolled off my lips with such ease when I became angry or worse felt backed up into a corner But I'm so Grateful that God Loved me so much that He overlooked my

flaws and decided to walk me down Grace and Mercy Highway showing me how He had kept me for such a time as now Because of His Love for me how could I not have empathy for the ones that took my her life how could I not pray for them and their mothers My flesh may get weak at times BUT MY SPIRIT IS SOLID So don t read my journal and feel sorry for me because I don t I know Who I AM and I know WHOSE I AM my Father s Daughter An Anointing Queen covered in His Glory Father God I Thank You in advance for the Vision and Purpose You have ordained this Memoir for May it reach ALL that need this Radical Transparency and may it Glorify Your Name Not my will But Your Will Be Done Giving You the Highest Praise Singing Glory Hallelujah

Forgiveness from the Shadows Dr. Jacob Segale,2025-04-01 Imagine being trapped in the shadows of your own childhood where laughter is a distant memory and trauma echoes louder than hope That s the world where Forgiveness from the Shadows A Quest of Perseverance and Restoration begins a place both raw and achingly real This book is more than just a story it s a journey through the tangled roots of pain resilience and the hard won grace of forgiveness From the very first page you ll step into the shoes of a young man shaped by chaos and neglect his world darkened by a father s alcoholism and the silent wounds it left behind Each chapter peels back the layers of his struggle revealing not only the scars but also the quiet strength that grows in their shadow The narrative doesn t shy away from the darkness moments of despair deferred dreams and the crushing weight of isolation but it also refuses to let those shadows define the journey What drove me to write this story It s simple I believe in the power of sharing our struggles By bringing hidden pain into the light we find connection understanding and most importantly hope Through careful research and heartfelt storytelling I ve sought to craft a tale that feels both honest and universal a mirror for anyone who has ever felt lost or broken As you turn these pages you ll witness the protagonist s lowest moments but you ll also see the glimmers of hope that guide him forward When his estranged father finally reaches out the ensuing confrontation becomes a crucible for forgiveness a chance to break free from the past or be consumed by it This book is not just about pain it s about the winding unpredictable road to healing It s an invitation to reflect to heal and perhaps to discover your own path out of the shadows Welcome to the journey
