I'm currently planning on studying Environmental Engineering at Yale next year, and it is my sincere hope that one day I'll build, do, or be a part of something that will secure a sustainable future for our planet.

—Daniel Monteagudo

I was born in a small, rural village in Nepal. Currently, I live in the capital of Nepal. I want to explore how things work and use that knowledge for the betterment of humanity, so I want to study mechanical engineering and help disabled people with prosthetic limbs and autonomous robots.

—Diwas Gautam

I am studying in an international school in Shanghai, China. I dream to be a journalist; I have faith in the truth.

—Nanfan Yi

I'm a student, artist, sculptor, singer, debater, and "whatever-er" living in the Seattle metropolitan area. I got into Stanford through early action despite having little or no idea of what I'll major in—but that's just fine. I have two years of exploration to do.

I took a lot of long walks while applying to colleges, scrawling down essay ideas as they came to me while sitting on curbs or park benches. This particular essay's source material came directly from my browsing habits. The webpages open on my computer are wildly diverse, and in a sudden moment of inspiration, I realized that they would be perfect for showcasing my diverse range of interests.

The anthology *The Greatest Children's Classics of All Time* is an enchanting compendium that brings together a rich tapestry of themes that have entertained and educated generations. From exhilarating adventures and timeless fables to whimsical tales and poignant reflections on childhood, this collection embraces a broad swath of literary styles including folklore, fantasy, and realism. The works handpicked for their enduring appeal and diverse storytelling not only capture the innocence and imagination of youth but also explore universal truths that resonate with all ages. Standout pieces within the anthology include riveting tales of adventure and tender stories of friendship, each embodying the magic and moral lessons that define classical children's literature. The anthology's strength lies in the illustrious assembly of authors from various eras and backgrounds whose contributions collectively underscore the universal experience of childhood. These iconic writers, including visionaries like Jules Verne and L. Frank Baum, weave narratives that align with pivotal literary movements such as Romanticism and The Golden Age of Children's Literature. Their distinct voices, informed by varied cultural histories and literary innovations, render a multifaceted exploration of the themes. The synergy of these voices offers a rich collective narrative that enhances the reader's appreciation of the genre's vast scope. Readers are invited to embark on a captivating journey through *The Greatest Children's Classics of All Time*, where the convergence of myriad perspectives and styles fosters an enlightening exploration of childhood's dreams and dilemmas. This compilation presents an invaluable opportunity for audiences to engage with cherished stories and newly discovered gems alike, facilitating a dialogue that spans cultures, ages, and ideologies. As an educational treasure trove, the anthology captivates and educates, making it an essential addition to the library of anyone with an appreciation for the timeless wonders and wisdom of children's literature.

All the Time in the World John Gierach, 2023-03-21 Discover the answer to life's most pressing problems through the joy of fly fishing from master philosopher John Gierach. Once again, John Gierach tells the world why the pastime of fly fishing makes so much sense except when it doesn't. In sparkling prose with more than a touch of humour, he recalls the joys of landing that trout he's been watching for the last hour and then losing an even fatter one a little later. Joy and frustration mix in Gierach's latest appreciation of the fly fishing life as he takes us from his home waters on the Front Range of the Rockies in Colorado to fishing meccas all over North America. From fishing lodges in Alaska to memories of the local creek in the Midwest where he grew up, Gierach reminds us about the indispensability of the natural world around us.

Essays on Longtermism Hilary Greaves, Jacob Barrett, David Thorstad, 2025-09-02 This is an open access title. It is available to read and download as a free PDF version on Oxford Academic and is made available under a Creative Commons Attribution Non-Commercial No Derivatives 4.0 International licence. Longtermism, broadly speaking, is the view that positively influencing the long-term future is one of the key moral priorities of our time. Calls for taking a long-term view towards global problems such as climate

change and poverty are familiar typically urging us to plan on a scale of decades or perhaps a century By contrast longtermism asks us to take seriously the idea that what we should do right now may depend on the effects of our actions thousands even millions of years into the future Essays on Longtermism brings together leading scholars to discuss four sets of overlapping questions raised by the longtermist approach First should we accept some version of longtermism Second to what extent can we predict and control the far future Third which ethical priorities are recommended by longtermism and how revisionary are they Finally what implications would longtermism have for the design or reform of social political and legal institutions Contributors who include both supporters and critics of longtermism are drawn from a range of disciplines including philosophy economics psychology law political science and mathematics and from private industry *How to Do Your Essays, Exams and Coursework in Geography and Related Disciplines* Peter Knight,Tony Parsons,2004-03 This book focuses on the skills and techniques that apply to essay writing and also covers other types of assignment such as posters talks PowerPoint presentations and web pages
