You decide to sneak a peek inside the spaceship. What do you see? You build a secret clubhouse in the woods for you and your friends. Describe what's inside. If you could hop inside any movie or video game, which game or movie would you choose, and what would you do there? Think of your two favorite animals. Now imagine they were merged together. What does this new creature look like, and do? Describe it. For each writing prompt, we've also added a few questions or comments to get the creative thought process going. The book also contains a few character sketches, pages where children build a solid character from beginning to end, including their motivations and personality.
