

THIRTEEN SECONDS

CONFRONTATION AT KENT STATE

The Original Narrative of Events that Shook the Nation

JOE ESZTERHAS
MICHAEL D. ROBERTS

Thirteen Seconds Confrontation At Kent State

National Library of Australia

Thirteen Seconds Confrontation At Kent State:

Thirteen Seconds: Confrontation at Kent State Eszterhas, Joe, Roberts, Michael D., 2012-07-20 The dramatic and eye opening original account of events that shook the nation At noon on May 4 1970 a thirteen second burst of gunfire transformed the campus of Kent State University into a national nightmare National Guard bullets killed four students and wounded nine By nightfall the campus was evacuated and the school was closed A generation of college students said they had lost all hope for the System and the future Yet Kent State was not a radical university like Berkeley Columbia or Harvard Although a new mood had been growing among the students in recent years the school was not known for political activity or demonstrations In fact exactly one week before students had held their traditional spring is here mudfight What most alarmed Americans was the knowledge that if this tragedy could occur at Kent State on a campus made up of the children of the Silent Majority and in the heart of Middle America it could happen anywhere But why how did it happen that young Americans in battle helmets gas masks and combat boots confronted other young Americans wearing bell bottom trousers flowered shirts and shoulder length hair What were the issues and why did the confrontation escalate so terribly Would there be future confrontations like the one of May 4 To answer these questions prize winning reporters Eszterhas and Roberts who were on campus on May 4 spent weeks interviewing all the participants in the tragedy They traveled to victims homes and talked to relatives and friends they spoke to National Guardsmen on the firing line and to students who were fired on By putting together hundreds of first person accounts they were able to establish for the first time what actually took place on the day of the shooting **Thirteen Seconds** Joe Eszterhas, Michael D. Roberts, 2012 *13 Seconds* Joe Eszterhas, 1970

Kent State Brian VanDeMark, 2024-08-13 Longlisted for the 2024 National Book Critics Circle Award for Nonfiction A Kirkus Reviews and New Yorker Best Book of 2024 An ALA Notable Book A definitive history of the fatal clash between Vietnam War protestors and the National Guard illuminating its causes and lasting consequences On May 4 1970 at Kent State University in Ohio political fires that had been burning across America during the 1960s exploded Antiwar protesters wearing bell bottom jeans and long hair hurled taunts and rocks at another group of young Americans National Guardsmen sporting gas masks and rifles At half past noon violence unfolded with chaotic speed as guardsmen many of whom had joined the Guard to escape the draft opened fire on the students Two reductive narratives ensued one that lethal state violence targeted Americans who spoke their minds the other that law enforcement gave troublemakers the comeuppance they deserved For over fifty years little middle ground has been found due to incomplete and sometimes contradictory evidence Kent State meticulously re creates the divided cultural landscape of America during the Vietnam War and heightened popular anxieties around the country On college campuses teach ins sit down strikes and demonstrations exposed the growing rift between the left and the right Many students opposed the war as unnecessary and unjust and were uneasy over poor and working class kids drafted and sent to Vietnam in their place Some developed a hatred for the military the police and

everything associated with authority while others resolved to uphold law and order at any cost Focusing on the thirteen victims of the Kent State shooting and a painstaking reconstruction of the days surrounding it historian Brian VanDeMark draws on crucial new research and interviews including for the first time the perspective of guardsmen who were there The result is a complete reckoning with the tragedy that marked the end of the sixties **We Shall Not Be Moved** Miriam R. Jackson,2017-04-07 *We Shall Not Be Moved* narrates the story of the Kent State student led May 4th Coalition and its efforts to maintain untouched the site of the Ohio National Guards shooting of thirteen Kent State students The story is told in a local context of the groups development and motivations during a long term conflict between the group its supporters the university administration The story is also told in a much larger context of national polarization over the meaning of the Vietnam War and the peace movement and the preferred historical narrative about the Vietnam era The book concludes that the May 4th Coalition lost its struggle to save the May 4th site because Americans determining the Vietnam narrative did not believe the protest of 1970 should be honored with saved land **The Deadline** Jill Lepore,2023-08-29 Jill Lepore is unquestionably one of America s best historians it s fair to say she s one of its best writers too Jonathan Russell Clark Los Angeles Times Best Books of 2023 New Yorker TIME A book to be read and kept for posterity *The Deadline* is the art of the essay at its best Few if any historians have brought such insight wisdom and empathy to public discourse as Jill Lepore Arriving at The New Yorker in 2005 Lepore with her panoptical range and razor sharp style brought a transporting freshness and a literary vivacity to everything from profiles of long dead writers to urgent constitutional analysis to an unsparing scrutiny of the woeful affairs of the nation itself The astonishing essays collected in *The Deadline* offer a prismatic portrait of Americans techno utopianism frantic fractiousness and unprecedented but armed aimlessness From lockdowns and race commissions to Bratz dolls and bicycles to the losses that haunt Lepore s life these essays again and again cross what she calls the deadline the river of time that divides the quick from the dead Echoing Gore Vidal s *United States* in its massive intellectual erudition *The Deadline* with its remarkable juxtaposition of the political and the personal challenges the very nature of the essay and of history itself Congressional Record United States. Congress,1975 *Guide to the Collections* National Library of Australia,1982 War Lancelot L. Farrar,1978 The Bayonet Bill Harriman,2021-04-15 Although muskets delivered devastating projectiles at comparatively long ranges their slow rate of fire left the soldier very vulnerable while reloading and early muskets were useless for close quarter fighting Consequently European infantry regiments of the 17th century were composed of both musketeers and pikemen who protected the musketeers while loading but also formed the shock component for close quarter combat The development of the flintlock musket produced a much less cumbersome and faster firing firearm When a short knife was stuck into its muzzle every soldier could be armed with a missile weapon as well as one that could be used for close combat The only disadvantage was that the musket could not be loaded or fired while the plug bayonet was in place The socket bayonet solved this problem and the musket bayonet combination became the

universal infantry weapon from c 1700 to c 1870 The advent of shorter rifled firearms saw the attachment of short swords to rifle barrels Their longer blades still gave the infantryman the reach that contemporaries believed he needed to fend off cavalry attacks The perfection of the small bore magazine rifle in the 1890s saw the bayonet lose its tactical importance becoming smaller and more knife like a trend that continued in the world wars When assault rifles predominated from the 1950s onwards the bayonet became a weapon of last resort Its potential usefulness continued to be recognized but its blade was often combined with an item with some additional function most notably a wire cutter Ultimately for all its fearsome reputation as a visceral close quarter fighting weapon the bayonet s greatest impact was actually as a psychological weapon Featuring full colour artwork as well as archive and close up photographs this is the absorbing story of the complementary weapon to every soldier s firearm from the army of Louis XIV to modern day forces in all global theatres of conflict **High**

Crimes and Misdemeanors Frank O. Bowman III,2023-11-30 A complete historical and constitutional analysis of impeachment by a leading scholar who participated in both Trump impeachments **Hate the War Honor the Soldier**

Robert M. Givens,2020-12-01 Robert M Givens grew up in the Midwest graduating in 1966 from Millikin University in his hometown of Decatur Illinois and from Indiana University in 1968 He married his college sweetheart Connie and by age twenty four worked as assistant to the dean of students at the University of Connecticut His wife was a schoolteacher and they both were hopeful that his job at a respected university and his age would help him avoid the draft However as the US increased its military involvement in Vietnam more bodies were needed to fight in this unpopular war Robert received his draft notice in early 1969 and after five months of training he was sent to serve in the infantry in South Vietnam The war experiences were intensely personal for Robert He thought his education somehow made him intellectually superior to most soldiers he thought his age and marital status gave him some vocational privilege he felt secure in his religious agnosticism All of these views were challenged during his time in Vietnam The war time experiences were life changing for him He and his fellow soldiers came home from a war in the fields of Vietnam to a war of protests raging in the streets of our cities This story tells in poignant ways how these experiences eventually reformed Robert s life including a new found faith in the Lord And years later he found heroes who emerged and encouraged him and other returning soldiers helping both them and our country to heal **The Journal of Psychohistory** ,1980 Library Journal ,1974 Library Journal Melvil

Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,1974 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Four Dead in Ohio** William A. Gordon,1995 Tells the shocking story behind the cover up of the May 4 1970 slayings of four students at Kent State University Library of Congress Catalogs Library of Congress,1976 *The 1960s* Rebecca Jackson,1992-12-10 The 1960s were a particularly turbulent period and the events of those years continue to interest and influence American society This bibliography records

and documents the most significant happenings of that decade The volume spans the years between 1960 and the resignation of President Nixon in 1974 It includes citations for more than 1300 books related to that period Some of the books were written during the 1960s and directly influenced people of that time Others were written afterward and analyze and interpret the events of the decade The entries are arranged in topical chapters and each citation is accompanied by a descriptive and evaluative annotation The volume begins with an introduction that overviews and discusses the major events and trends of the time The 17 topical chapters that follow treat virtually every aspect of life in the 1960s The first few chapters include general works on the underlying social political and economic conditions that served to define the decade Other chapters discuss works on the presidencies social protests the impact of the Vietnam war the cultural revolution and trends in art music literature and religion The bibliography concludes with author title and subject indexes that add to its value as a reference tool

Case Studies in Culture and Communication James A. Schnell, 2003-01-01 In Case Studies in Culture and Communication A Group Perspective James A Schnell presents critical essays in the burgeoning field of communication studies In the first section Case Studies in American Culture he examines such topics as decision making at a co op grocery store and prank playing and conflict resolution in a college fraternity In the next section Case Studies in Cross Cultural Contexts he explores such issues as the impact of introducing an Afro centric perspective into American children s education In the final section Case Studies in Applied Settings subjects covered include the role of the hospital chaplain in facilitating communication between patients and their medical team Focusing on group dynamics rather than one on one interactions this book demonstrates the broad relevance and applicability of communication studies

International Journal of Group Tensions ,1976
