The Sacred Theory of the Earth ... By Bishop Burnett [or Rather by Thomas Burnet]. Together with Copious Notes on the Wonders of Nature, Etc. [With Plates.] Thomas BURNET (Master of the Charter House.),1816 Works. Published by Himself Isaac Watts,1753 Heaven's Ambassador Kevin Sullivan,2015-12-22 My name is Kevin Sullivan I am the author of a NEW book series entitled Heavens Ambassador It is the most influential thought provoking Christian book series of the 21st Century I wrote this book for anyone who is interested in learning what it takes to become an Ambassador of Heaven In case you didnt know an Ambassador of Heaven is someone who dominates the Father of Lies discerns the deceitfulness of worldly wisdom and actualizes the power of heavenly wisdom In order to adequately address this topic I wrote this book in 4 volumes Volumes 1 and 2 admonishes the recklessness and foolishness of worldly wisdom Volume 3 is a compilation of the main points of Volumes 1 and 2 which exposes the worthlessness of worldly wisdom And Volume 4 reveals secrets to maintaining relationships with your spouse and children that are pleasing to God My books are simple enough for a 5th grader to understand and deep enough for a Ph D student to embrace Show your family some love and buy a few copies They are the perfect empowerment tools for middle school high school and college bound family members and make excellent birthday graduation and Christmas gifts The Separation of Heaven and Earth Harold W. Montzka,2010-02-25 Unlike todays world religious views the belief in one Supreme Being was once a widespread phenomenon In The Separation of Heaven and Earth author Harold Montzka provides evidence of this contemporary view with new arguments By studying anthropology and the history of religions Montzka shows evidence for the belief system of the egalitarian hunters who spread across the globe In the Near East the area from the mountains in Turkey to the Persian Gulf people traded freely without evidence of borders or conflict Then social hierarchy became evident in a small area Shortly after this a number of

hierarchical sites appeared suddenly and society saw massive buildings city walls ethnic divisions trade to benefit the elites war and instability Developed over forty years The Separation of Heaven and Earth points out that a single cosmological theme was present in ancient literature as well as recent preliterate hierarchies The cosmology justifying the elites in hierarchical societies provided for the society by control of nature Those few groups who have remained egalitarian do not use this cosmology They are not dependent on the rituals of a social hierarchy they depend on the providence of their creator

Heaven on Earth Simon Porter,2017-12-05 Heaven on Earth is a layman s guide to a deeper and more mystical relationship with the one whom some describe as the Ground of all Being The book starts with a clear explanation of the personality and character of the one we call God a personality of total self giving love It then goes on to explain how this can be seen in all of life around us if we were but to learn to recognise it The author draws from his own practical experiences of encountering this loving entity within nature and daily life by using his own poetry and stories while quoting from sacred writings He presents a God who is attractive trustworthy and is wanting loving union with all people on earth This book is both comforting and challenging and provides regular interludes for the reader to stop and learn to engage with this Divine Presence for themselves If you read this book openly and honestly you will not be the same person when you finish It is inspiring will help to answer some of our deepest questions and can be life changing *The Uniform Legion of Occult* Sylvan Lightbourne,2016-01-13 The Uniform Legion of Occult shows an existence about the universal life force which states that the human physical beings are the most inferior host of the external life force and as human beings being the hosts of their external life force they are completely two separately eternal entities The physical human being can only survive on environmental life force while the eternal life force feeds on the spiritual connection of the angelic realm These souls have power lasting eternally while the body lasts on environmental factors and conditioning The soul and the other eternal life forces are connected closely in a nexus power axis while humans are connected but only through their beings life *Of This Earth* Rudy Wiebe,2009-06-12 A beautiful moving memoir of a boy s coming of age infused with a deep love of the land from one of Canada s most cherished and acclaimed writers In *Of This Earth* Rudy Wiebe gives vivid life again to the vanished world of Speedwell Saskatchewan an isolated poplar forested mostly Mennonite community and Rudy s first home Too young to do heavy work Rudy witnessed a way of life that was soon to disappear And we experience with him the hard labour of clearing the stony silty bushland the digging out of precious wells one bucket of dirt at a time sorrow at the death of a beloved sister the disorienting searches for grazing cattle in the vast wilderness sloughs and the sweet discovery of the power of reading Rare personal photographs reproduced throughout the book and the fragile memories of those who are left give shape to the story of Mennonite immigrants building a life in Canada the growth and decline of the small Speedwell community the sway of religion and a young boy s growing love of the extreme beauty of the aspen forests as well as how all these elements came to inform his destiny as a writer A hymn to a lost place and a distant time *Of This Earth* follows the best

of memoirs in the tradition of Sharon Butala's *The Perfection of the Morning* and W G Sebald's *Austerlitz*. It is an evocation of the Canadian west that only a writer of Rudy Wiebe's powers could summon. **Far From This Earth** Chad Oliver, 2015-07-30 *Far From This Earth and Other Stories* is volume 2 of a collection of Chad Oliver's SF containing the following: Stardust, Let Me Live in a House, Field Expedient, Transformer, If Now You Grieve a Little, Anachronism, North Wind, Pilgrimage, The Wind Blows Free, Of Course, Rite of Passage, Didn't He Ramble, Second Nature, Ghost Town, End of the Line, Just Like a Man, Far From This Earth, King of the Hill, Meanwhile, Back on the Reservation, A Lake of Summer. [This Earth, My Brother](#) Kofi Awoonor, 2023-10-01 In this debut novel Kofi Awoonor brilliantly interweaves poetry and allegory into a profound tale of social corruption in post colonial Ghana. Rooted in the African oral tradition, *This Earth, My Brother* paints a picture of post independent Ghana through two distinctive narratives. In the first strand we find Amamu, a young lawyer struggling to come to terms with his place amongst the new Ghanaian elite. Frustrated by the debauchery of his peers and the misery engulfing the country, he decides to leave. During his journey across Europe, Amamu is gripped with a different kind of spiritual alienation, one that he can't run away from. Bridging the gaps between Amamu's story are chapters of rich prose poetry that tell an allegorical tale of new Ghana. From religious suffering to mermaids, Kofi Awoonor lyrically captures the inner workings of a man's disturbed conscience and the conflicting realities of Ghana's independence. Wonderfully musical prose. Guardian. A great and powerful literary personality. Auma Obama.
