Please Kill Me Legs McNeil, André Malraux, Gillian McCain, 2006 Now in paperback this first oral

history of the most nihilistic of all pop movements brings the sound of the punk generation chillingly to life with 50 new pages of depraved testimony Please Kill Me reads like a fast paced novel but the tragedies it contains are all too human and all too real photos Guerrilla Marketing Alexander L. Fattal,2018-12-10 Brand warfare is real Guerrilla Marketing details the Colombian government's efforts to transform Marxist guerrilla fighters in the FARC into consumer citizens Alexander L. Fattal shows how the market has become one of the principal grounds on which counterinsurgency warfare is waged and postconflict futures are imagined in Colombia This layered case study illuminates a larger phenomenon the convergence of marketing and militarism in the twenty first century Taking a global view of information warfare Guerrilla Marketing combines archival research and extensive fieldwork not just with the Colombian Ministry of Defense and former rebel communities but also with political exiles in Sweden and peace negotiators in Havana Throughout Fattal deftly intertwines insights into the modern surveillance state peace and conflict studies and humanitarian interventions on one hand with critical engagements with marketing consumer culture and late capitalism on the other The result is a powerful analysis of the intersection of conflict and consumerism in a world where governance is increasingly structured by brand ideology and wars sold as humanitarian interventions Full of rich unforgettable ethnographic stories Guerrilla Marketing is a stunning and troubling analysis of the mediation of global conflict This Guy's The Limit Michael E. The Sensation of Security Erika Robb Larkins, 2023-05-15 *The Sensation of Security* explores how private security guards are a permanent conspicuous fixture of everyday life in the Brazilian city of Rio de Janeiro Drawing on long term ethnographic research with security laborers managers company owners and elite global consultants Erika Robb Larkins examines the provision of security in Rio from the perspective of security personnel providing an analysis of the racialized logics that underpin the

ongoing work of securing the city Larkins shows how guards communicate a *sensa o de seguran a* a sensation of security to clients and customers who have the capital to pay for it Cultivated through performances by security laborers the sensation of security is a set of culturally shaped racialized and gendered impressions related to safety order well being and cleanliness While the *sensa o de seguran a* indexes an outward facing task of allaying fears of crime and maintaining order in elite spaces it also refers to the emotional labor and embodied worlds that security workers navigate **They're All Trying to Kill Me!** Jeremy D. I. VanderSluis, 2002-09 The setting of the story takes place in the mysterious and magical city of New Orleans An overwhelmed homicide detective hooks up with a rookie detective assigned to investigate minor thefts The first case assigned to the rookie detective is a theft of two flowerpots from a cemetery The rookie apprehensive of his investigative knowledge solicits help from the seasoned homicide detective The case quickly evolves from a pair of plundered flowerpots to a million dollar operation involving several owners of the City s most exquisite and prominent antique shops Together the two become hopelessly lost in some of the city s most majestic burial grounds known as the world famous Cities of the Dead During the investigation the two detectives begin to notice several strange and unexplainable coincidences that seem to guide their every move After some time they manage to put aside their macho police attitudes and learn to accept the fact that they were catapulted into the realm of the spiritual world and the supernatural The wacky and zany antics by the rookie and the straightforward nature of the homicide detective make for an unusual but most effective crime fighting partnership And just when the two detectives thought they had pushed the investigation to the limit the case explodes and leads them directly into a morbid voodoo serial murder plot of millennial proportions Finally the investigation reveals a suspect who is linked in the disappearance of the homicide detective s missing sister from when he was a child In the end the two detectives accept and understand the reasons for the spiritual interventions As a result hundreds of Lost Souls in the Cities of the Dead were freed from their torment and the demons were finally revealed in a tremendous battle between the powers of good and evil But at what cost Although the story is fictional it is inspired from a true life investigation involving the two detectives who authored this story It is a spin off of certain events concerning the theft of stolen cemetery artifacts We leave it totally up to the reader to decipher the fictional occurrences and any similarities to persons or parties involved with the actual investigation are totally coincidental and unintentional
