

This Thing Called Literature

Reading, Thinking, Writing

SECOND EDITION

Andrew Bennett and Nicholas Royle

This Thing Called Literature Reading Thinking Writing

William Robert

This Thing Called Literature Reading Thinking Writing:

This Thing Called Literature Andrew Bennett, Nicholas Royle, 2015-02-11 What is this thing called literature Why should we study it And how Relating literature to topics such as dreams politics life death the ordinary and the uncanny this beautifully written book establishes a sense of why and how literature is an exciting and rewarding subject to study Bennett and Royle delicately weave an essential love of literature into an account of what literary texts do how they work and what sort of questions and ideas they provoke The book's three parts reflect the fundamental components of studying literature reading thinking and writing The authors use helpful familiar examples throughout offering rich reflections on the question What is literature and on what they term creative reading Bennett and Royle's lucid and friendly style encourages a deep engagement with literary texts This book is not only an essential guide to the study of literature but an eloquent defence of the discipline

This Thing Called Literature Andrew Bennett, Nicholas Royle, 2024-01-22 What is this thing called literature Why study it And how Relating literature to topics such as dreams politics life death the ordinary and the uncanny This Thing Called Literature establishes a sense of why and how literature is an exciting and rewarding subject to study Andrew Bennett and Nicholas Royle expertly weave an essential love of literature into an account of what literary texts do how they work and the sort of questions and ideas they provoke The book's three parts reflect the fundamental components of studying literature reading thinking and writing The authors use helpful and wide ranging examples and summaries offering rich reflections on the question What is literature and on what they term creative reading The new edition has been revised throughout with extensive updates to the further reading and a new chapter on creative non fiction Bennett and Royle's accessible and thought provoking style encourages a deep engagement with literary texts This essential guide to the study of literature is an eloquent celebration of the value and pleasure of reading

This Thing Called Literature Andrew Bennett, Nicholas Royle, 2015

Keys to Academic English Adrian Hale, Helen Basides, 2023-04-11 Developing the research writing and referencing skills vital to achieving success in an academic environment is a necessary part of university study Keys to Academic English presents Academic English a distinct form of the language used at a tertiary level and its building blocks appropriate research critical thinking and language effective communication and essay preparation and writing in an accessible easy to use format The first part of the text covers the overarching principles of Academic English including the history of English and grammar and language essentials The second part discusses the practical application of this knowledge with particular emphasis on crafting coherent thesis driven essays alongside discussion of research and sources referencing and citation and style and presentation Written by authors with extensive tertiary teaching experience Keys to Academic English is an invaluable reference for students beginning their university degrees across a range of humanities disciplines

Literature: An Introduction to Theory and Analysis Mads Rosendahl Thomsen, Lasse Horne Kjøeldgaard, Lis Møller, Lilian Munk Røsing, Peter Simonsen, Dan Ringgaard, 2017-03-09 How does literature work And what

does it mean How does it relate to the world to politics to history to the environment How do we analyse and interpret a literary text paying attention to its specific poetic and fictitious qualities This wide ranging introduction helps students to explore these and many other essential questions in the study of literature criticism and theory In a series of introductory chapters leading international scholars present the fundamental topics of literary studies through conceptual definitions as well as interpretative readings of works familiar from a range of world literary traditions In an easy to navigate format Literature An Introduction to Theory and Analysis covers such topics as Key definitions from plot character and style to genre trope and author Literature s relationship to the surrounding world ethics politics gender and nature Modes of literature and criticism from books to performance from creative to critical writing With annotated reading guides throughout and a glossary of major critical schools to help students when studying revising and writing essays this is an essential introduction and reference guide to the study of literature at all levels The companion website to the book [ltdh au dk](#) focuses on digital humanities and literary studies For each topic in the book you will find an introduction to computational aspects of the topic approaches for both newcomers and advanced users and references to tools scripts and articles The website also has a comprehensive and well structured reference page

Censorship and the Limits of the Literary Nicole Moore, 2017-02-23 Explores the defining relationship of literature to censorship across the globe

Unbridled William Robert, 2022-02-14 A study of religion through the lens of Peter Shaffer s play Equus In Unbridled William Robert uses Equus Peter Shaffer s enigmatic play about a boy passionately devoted to horses to think differently about religion For several years Robert has used Equus to introduce students to the study of religion provoking them to conceive of religion in unfamiliar even uncomfortable ways In Unbridled he is inviting readers to do the same A play like Equus tangles together text performance practice embodiment and reception Studying a play involves us in playing different roles as ourselves and others and those roles as well as the imaginative work they require are critical to the study of religion By approaching Equus with the reader turning the play around and upside down Unbridled transforms standard approaches to the study of religion engaging with themes including ritual sacrifice worship power desire violence and sexuality as well as thinkers including Judith Butler Sigmund Freud Karl Marx Friedrich Nietzsche and Jonathan Z Smith As Unbridled shows the way themes and theories play out in Equus challenges us to reimagine the study of religion through open questions contrasting perspectives and alternative modes of interpretation and appreciation

Philosophy, Literature and Understanding Jukka Mikkonen, 2021-04-08 Challenging existing methodological conceptions of the analytic approach to aesthetics Jukka Mikkonen brings together philosophy literary studies and cognitive psychology to offer a new theory on the cognitive value of reading fiction Philosophy Literature and Understanding defends the epistemic significance of narratives arguing that it should be explained in terms of understanding rather than knowledge Mikkonen formulates understanding as a cognitive process which he connects to narrative imagining in order to assert that narrative is a central tool for communicating

understanding Demonstrating the effects that literary works have on their readers he examines academic critical analysis responses of the reading public and nonfictional writings that include autobiographical testimony to their writer s influences and attitudes to life In doing so he provides empirical evidence of the cognitive benefits of literature and of how readers demonstrate the growth of their understanding By drawing on the written testimony of the reader this book is an important intervention into debates on the value of literature that incorporates understanding in new and imaginative ways The Cambridge Companion to Kazuo Ishiguro Andrew Bennett,2023-03-23 A lively accessible and authoritative introduction to the work of Kazuo Ishiguro one of the leading novelists of our time **The Cambridge Companion to the Body in Literature** David Hillman,Ulrika Maude,2015-05-26 This Companion offers the first systematic analysis of the body in literature from the Middle Ages to the present day **Shakespeare through Letters** David M. Bergeron,2020-10-14 In Shakespeare through Letters David M Bergeron analyzes the letters found within Shakespeare s comedies histories and tragedies arguing that the letters offer the principal intertextual element in the plays as text in their own right Bergeron posits that Shakespeare s theater itself exists at the intersection of oral and textual culture which the letters also exhibit as they represent writing reading and interpretation in a way that audiences would be familiar with in contrast with the illustrious culture of kings queens and warriors This book demonstrates that the letters profound or perfunctory constitute texts that warrant interpretation even as they remain material stage props impacting narrative development revealing character and enhancing the play s tone Scholars of literature theater and history will find this book particularly useful

Romanticism and the Letter Madeleine Callaghan,Anthony Howe,2020-01-29 Romanticism and the Letter is a collection of essays that explore various aspects of letter writing in the Romantic period of British Literature Although the correspondence of the Romantics constitutes a major literary achievement in its own right it has received relatively little critical attention Essays focus on the letters of major poets including Wordsworth Byron Shelley and Keats novelists and prose writers including Jane Austen Leigh Hunt and Charles Lamb and lesser known writers such as Melesina Trench and Mary Leadbeater Moving from theories of letter writing through the period s diverse epistolary culture to essays on individual writers the collection opens new perspectives for students and scholars of the Romantic period **Kazuo Ishiguro** Kristian Shaw,Peter Sloane,2024-03-13 A comprehensive collection of newly commissioned essays from world leading Kazuo Ishiguro scholars which offers chapters on each of the novels including the first publication on Klara and the Sun 2021 short fictions and screenplays Kazuo Ishiguro Twenty First Century Fictions offers a critical reappraisal of the 2017 Nobel Laureate while also uncovering important new thematic and stylistic insights The Oxford Handbook of British Romanticism David Duff,2018-09-26 The Oxford Handbook of British Romanticism offers a comprehensive guide to the literature and thought of the Romantic period and an overview of the latest research on this topic Written by a team of international experts the Handbook analyses all aspects of the Romantic movement pinpointing its different historical phases

and analysing the intellectual and political currents which shaped them It gives particular attention to devolutionary trends exploring the English Scottish Welsh and Irish strands in British Romanticism and assessing the impact of the constitutional changes that brought into being the United Kingdom at a time of revolutionary turbulence and international conflict It also gives extensive coverage to the publishing and reception history of Romantic writing highlighting the role of readers reviewers publishers and institutions in shaping Romantic literary culture and transmitting its ideas and values Divided into ten sections each containing four or five chapters the Handbook covers key themes and concepts in Romantic studies as well as less chartered topics such as freedom of speech literature and drugs Romantic oratory and literary uses of dialect All the major male and female Romantic authors are included along with numerous lesser known writers the emphasis throughout being on the diversity of Romantic writing and the complexities and internal divisions of the culture that sustained it The volume strikes a balance between familiarity and novelty to provide an accessible guide to current thinking and a conceptual reorganization of this fast moving field

Suicide Century Andrew Bennett, 2017-10-05 Suicide Century investigates suicide as a prominent theme in twentieth century and contemporary literature Andrew Bennett argues that with the waning of religious and legal prohibitions on suicide in the eighteenth and nineteenth centuries and the increasing influence of medical and sociological accounts of its causes and significance in the twentieth century literature responds to the act and idea as an increasingly normalised but incessantly baffling phenomenon Discussing works by a number of major authors from the long twentieth century the book explores the way that suicide makes and unmakes subjects assumes and disrupts meaning induces and resists empathy and insists on and makes inconceivable our understanding of ourselves and of others

The Cambridge Companion to Literature and the Posthuman Bruce Clarke, Manuela Rossini, 2017 This book gathers diverse critical treatments from fifteen scholars of the posthuman and posthumanism together in a single volume

David Bowie, Enid Blyton and the sun machine Nicholas Royle, 2023-12-05 In this one of a kind book novelist and academic Nicholas Royle brings together two remarkably different creative figures Enid Blyton and David Bowie His exploration of their lives and work delves deeply into questions about the value of art music and literature as well as the role of universities in society Blending elements of memoir and cultural commentary Royle creates a tender and often hilarious portrait of family life during the pandemic weaving it together with musings on dreams second hand bookshops and unpublished photos of Bowie taken by Stephen Finer He also shares previously unrecorded details about Blyton s personal life notably her love affair with Royle s grandmother David Bowie Enid Blyton and the sun machine offers a singular perspective on the cultural significance of two iconic figures In doing so it makes a compelling case for the power of storytelling and music to shape our lives

John Keats in Context Michael O'Neill, 2017-06-09 John Keats 1795 1821 continues to delight and challenge readers both within and beyond the academic community through his poems and letters This volume provides frameworks for enhanced analysis and appreciation of Keats and his work with each chapter supplying a succinct informed and accessible account of a

particular topic Leading scholars examine the life and work of Keats against the backdrop of his influences contemporaries and reception and explore the interaction of poet and world The essays consider his enduring but ever altering appeal engage with critical discussion and debate and offer revisionary close reading of the poems and letters Students and specialists will find their knowledge of Keats s life and work enriched by chapters that survey subjects ranging from education relationships and religion to art genre and film Bringing the English Curriculum to Life David Didau,2024-04-12 Bringing the English Curriculum to Life builds on David Didau s groundbreaking book Making Meaning in English by showing how the principles of the original book can be applied in schools and classrooms Drawing together experiences of designing teaching supporting and assessing English across the schools within Ormiston Academies Trust OAT this book demonstrates what an ambitious coherently sequenced broad and balanced English curriculum with successful adaption for students with SEND can look like in practice Designed around the explicit teaching of the powerful conceptual knowledge students need to master the discipline the book offers a fully resourced English curriculum packed with teaching suggestions and examples of high quality practice Covering intent implementation and assessment and outlining in detail what is included in each module for KS3 and 4 the curriculum can be adopted in its entirety but is also flexible enough for departments to take modules and slot them into their own curriculum Providing an inspiring model for teaching English that enables all students to succeed this is an essential resource for all English teachers and school leaders responsible for curriculum development *William Wordsworth in Context* Andrew Bennett,2015-02-12 This book provides the essential contexts for an understanding of all aspects of the major English Romantic poet William Wordsworth

Enjoying the Melody of Phrase: An Mental Symphony within **This Thing Called Literature Reading Thinking Writing**

In a world consumed by displays and the ceaseless chatter of immediate communication, the melodic beauty and emotional symphony produced by the written word frequently disappear into the back ground, eclipsed by the persistent sound and interruptions that permeate our lives. However, set within the pages of **This Thing Called Literature Reading Thinking Writing** a charming fictional prize full of organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that interesting masterpiece conducts viewers on a psychological trip, well unraveling the hidden songs and profound impact resonating within each carefully crafted phrase. Within the depths with this emotional examination, we can examine the book is main harmonies, analyze their enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
